Don't Blame the Hen!

Whose fault is it if your hens don't lay eggs? Before you blame the hen, ask yourself these questions:

1. Am I feeding a proper egg-making ration?
2. Is it manufactured by scientific authorities?
3. Am I sure the feed is always uniform?
4. Has it been proved by others in practical tests.

The way to answer "yes" to all four questions is to feed Purina Chicken Chowder and Purina Hen Chow—made and guaranteed by feeding authorities, proved by millions of practical tests.
