Don't let that cough run on

IT'S much easier to check it now than after serious complications develop. Nothing like Dr. Bell's Pine-Tar Honey to stop coughing quickly. Just those medicines that up-to-date doctors prescribe for loosening heavy phlegm and soothing throat tissues are in it—combined with the old reliable remedy—pine-tar honey. Keep it on hand for all the family.

All druggists. Be sure to get the genuine.

"All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will expel the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

**FOR CORONER.**
