Constant hacking makes the cough worse

STOP it now with Dr. Bell's Pine-Tar Honey—or it may become chronic. Nothing so quickly loosens phlegm, soothes dry throats and stops coughing. Made of the very same medicines the best doctors prescribe combined with the good old-time stand-by—pine-tar honey! Its taste is pleasing, too! Keep Dr. Bell's on hand for the whole family.

All druggists. Be sure to get the genuine.

CRIPPLED BOY BEGINS POULTRY CLUB WORK

Newton, March 31.—“Several weeks ago Thomas Sipe, Conover, Route 3, wrote asking me how he might become a poultry club member, and stated that he would like to talk with me sometime in passing,” says J. W. Hendricks County Agent for Catawba County. “I was impressed with his letter and made a point to see the boy just as soon as I could. When I went to his home, I found a boy 13 years old, and a cripple since birth. He had spent several months in the hospital and was then able to move about on crutches. He said he had been keeping up with the club work in the county, and especially with the members in his community. He had decided to try and carry on some poultry club work.

“After talking with him for some time and explaining how club work is conducted, I found that he was very much interested in chickens and know a great deal about them. I was glad to enroll him as a club member even though he was badly handicapped for the work. He decided to take Brown Leghorns, and bought a small pen of 20 birds. Just recently I visited his farm and found him getting along nicely with his project. He was keeping a splendid record and could show exactly the number of eggs secured from his hens and the number he has sold. He now has about 75 young chicks hatched off. He is interested in his work and I am expecting him to be an outstanding club member in a few years, even though he is compelled to do all his walking on crutches.”

No Worms in a Healthy Child
All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule there is more or less stomach disturbance. GIVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and set up a General Strengthening Tonic to the whole system. Nature will then show off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

FOR SALE
18 hens and two Cockerels, pure bred Plymouth Rocks, prices reasonable. Call at my home near Center-ville.

Ignorant—“What can I do to avoid falling hair?”
Advisor—“Jump out of the way.”

This is a joke taken from “Judge,” but if you have that problem yourself we would give you different advice: Go to the

SERVICE DRUG CO.
Wood, N. C.

and get a supply of Hair Tonic, by measure, or if you have a favorite brand get supplied with that.

That is also a good place to get your prescriptions filled or to get anything in the way of drugs.
