The Senate on Monday passed the Bonus Bill over the President's veto, with a majority of two more than the necessary two-thirds. The House pass. ed the same bill the past week with a majority of 51 more than the necessary two-thirds. The bill now be-comes law. It provides that adjustments will be made on a basis of one Monda dollar a day for domestic and one dol-friend. lar and twenty-five cents a day for foreign service. The first sixty days do not count.

WOOD ELEMENTARY SCHOOL CLOSES SUCCESSFUL TERM

Commencement Exercises Prove Success-Leona Raynor and Mabel Gup. ton Win Medals-All of Seventh visited Raleigh Wednesday. Grade Receive Diplomas.

The exercises on the coming of May 2nd, marked the last night of the com-mencement of the Wood elementary school and proved to the committee, patrons, friends and visitors of the school the wonderful progress made by the pupils under the capable lead-ership of the faculty. A large audience witnessed the program rendered on both Thursday and Friday evenings, the geeral opinion that the exercises were the best given in man c. year.
To the cooperation and untiring ef-

forts on the part of the faculty and pupils is due the credit for the success. Among the features for each selection was a feature may be men-tioned the fact that every pupil had a part in the exercises and the ease and grace with which they performed showed without doubt that they had received excellent training, such as only a capable faculty is accusomed to

On Thursday evening the five jud-ges awarded first place to Leona Ray. nor, second place to Elizabeth Fuller and third place to Mable Gupton in the recitation contest for medal offered by the principal. The contest was extermely close and without doubt all

the recitations were good.

When we review the program for each evening it is extremely difficult to select any particular exercise for featuring, but the music department showed that they were all instructed, the seventh grade pupils gave excellent exercises, the recitations were all that could be asked.

On Friday evening the same condition existed but amog those often spoken of as outstanding features were Merry Maidens Club, Little Help-

ers, In Grandmas Days, Clown Drill and "Dolly You Must Go to Bed." Friday evening Mabel Gupton was awarded the Scholarship Medal offer-ed by Mrs. W. D. Fuller.

The seventh grade composed of the following received diplomas:

K nnith Ayscue, Elizabeth Fuller, Hattie Bell Gupton, Dell Pearce, Ola Pearce, Jodie Radford, Herbert Stur-

gess.
It is very fitting that the commence. ment exercises should bring to a close with a suitable climax the successful school term which marked the efforts of the faculty beginning with the award of the prize of \$15.00 for the best school parade at the county fair in the fall and the winning of the prize of \$10.00 offered by the county superintendent and awarded by dis-interested judges for the best kept school building and grounds in the county, and the awarding of diplomas to each member of the seventh grade This school term has been one of

shuccess from the beginning to the close, and all the more so in view of the fact that the faculty with the exception of one came to the school for the first time. It is to be credit-ed to the foresight of the efficient County Superintendent that he made such wise selections as these. As was extended during the cloing exercise and afterwards by the school committee to the faculty it is sincerely hoped that they will consent to return and take up the work where they left off and as has been spoken, by quite a number of the citizens, which will be hard to be carried on by others.

It should be mentioned that part

of the exercises taken by the music pupils showed grand instruction. This being the first session in whch music guilty.
has been taught speaks well for both State teacher and pupils.

WOODROW WILSON DEBATING SOCIETY

On last Friday the Woodrow Wilson Debating Society of the Louisburg graded school, composed of the seventh graded school, composed of the seventh grade had for their program the pass-ing of a bill, the bill being, resolved "That we should have a longer vaca-tion and a shorter school term." This "That we should have a longer vacation and a shorter school term." This was debated by Archibald Wilson on the affirmative and Kemp Yarborough on the negative. The members of the on the negative. The members of the seventh grade were the Sanators. The decision of the Senate was that the bill should not be passed.

Action on the bill being so generally satisfactory and business having been completed the Society adjourned.

flowers in the shape of expressions of appreciations flew all about.
Louisburg Quartette composed of Mesdames A. W. Mohn, W. E. White, Harry H. Johnson and William D. Jackson, sang "My Pretty Maid," the rendition of which brought forth the greatest applause.

Edward L. Best ree and to his questions all who think that North Carolina music is the best in the world, all who think North Carolina flowers are the prettiest in the world, and all who think that North Carolina women who think that North Carolina women are the sweetest in the world say yes, got a most enthusiastic yell at the conclusion of each. After which he presented beautiful flowers to each of the ladies, including Miss Hall, the accompanist, in the quartette. The quartette then sang sweetly "Lay me Down and Die."

Harry Adams, Governor of the Car-olinas District Kiwanis, made a most inspiring address. In the best of good fellowship he welcomed Louisburg Kiwanis into the Kiwanis International. He said Kiwanis did not ask a

an an for his check, but to make a sacrifice—it demands service. He spoke beautifully of the work now being done by Kiwanians among children, the under privileged children, through the orthopaedic work. "The true purpose of Kiwania" said the acceleration the orthopaedic work. "The true pur-pose of Kiwanis," said the speaker, "is to render the good of the whole to each." It helps to get a higher vis-ion. To illustrate his point he told of the bar of iron in the hands of different artisans with different conceptions of value, when one would make his tno horse shoes at \$2.00 per pound on through to one that would make his into hair springs at one million dol-lars a pound. "Your success depends much upon your decision," he said. Kiwanis builds better men, and better

communities. Felix Harvey, of Kinston, Lieutenant Governor of this District made the presentation speech. It was a gem in that it not only told what Kiwanis is, but of many things that Kiwanis is, but of many things that Kiwanis can and should do for all communities. He told how Kiwanis got its strength by building up love between And to illustrate the great need of united work he pointed out a probem needing immediate attention and help, showing that the value of the two chief crops of North Carolina was \$260,000,000 and that \$220,000,000 this was sent out of the State for sup-plies.
