Jambes Post 105

How To Get Your Adjusted Compensation

World War Veterans of Franklin County are notified that Jambes Post No. 105 of The American Legion of Louisburg, N. C., has been officially designated by the War and Navy Departments at Washington to assist in obtaining for veterans of this territory benefits due them under the Federal Adjusted Compensation, or Bonus Act. This announcement was made today by William Y. Bickett, Vice Commander of Jambes Post. Mr. Bickett explained that the national organization of the Legion had made the Government a blanket offer of the services of every Legion post in this regard and that this offer had been accepted at Washington. The services rendered by the Legion are extended to all World War veterans and their dependents who are eligible to the benefits of the Adjusted Compensation Act, regardless of whether the veterans are members of the Legion or not. The Legions services are offered to the veteran and the Government without cost. OFFICIAL BONUS APPLICATION FORMS WILL BE AVAILABLE AT EVERY LEGION POST. Officers of the Post will explain to applicants how these forms are to be filled out and thus save veterans irritating experiences.

Vice-Commander Bickett states that a supply of applicant blanks sufficient for all eligible veterans or dependents residing in Franklin County will be available at the Jambes Post Headquarters in the Beasley-Griffin Building, directly in the rear of the office of Attorney Ben T. Holden, about July 15, 1924. When the forms arrive notice will be given through THE FRANKLIN TIMES of the hours during which the Jambes Post will gladly assist all veterans and dependents to fill out their Application Forms. For the protection of the veterans and the Government the requirements concerning the execution of these forms are very rigid. Some twenty odd statements must be filled on every form. These will be explained to you, when we secure the forms and can help you fill out your application. The forms can be filled at the spot and be forwarded to Washington without further delay.

It is absolutely necessary to have your HONORABLE DISCHARGE, in order to secure the information necessary to fill out your application. Have you lost yours? If so, we can help you. Foreseeing the probability of many lost discharges, we have secured application forms, with which you can secure a copy of your DISCHARGE. YOUR FIRST STEP IS TO FIND YOUR DISCHARGE. If you have lost it, either see, or write to our adjutant, T. Cheatham Alston, Louisburg, N. C., and he will furnish you with the necessary application blank, with which to secure a copy of your DISCHARGE. DO THIS NOW, and when the Government is ready to shoot, we will be ready to furnish the information required. Meet the Jambes Post half way

and we can deliver the goods promptly. P. S. Tell every Ex-Service man in your neighborhood that the Jambes Post is preparing to handle the red tape for him, and watch the "Bulletin Board" for further information on the Bonus.

Jambes Post Is Loser

Some one, during the past year, borrowed three or four tables, our dishes, and electric fan, that was presented to us by Mr. Fred Riff. These articles were borrowed from our club rooms, under John Kings store, and were not returned. We will be most grateful of any information concerning this property, that will enable us to recover it. Will you please help us to locate it?

WHY WAIT TILL THE LAST DAY TO SEND THE COPY IN FOR AN ADVERTISEMENT WHEN THE AD MAN CAN GIVE YOU A MUCH BETTER JOB IF YOU SEND IT IN SOONER! DON'T FORGET IT.

A Talk With a Louisburg Man

Mr. Cranford Tells Something of Interest to Louisburg Folks.

There's nothing more convincing than the statement of someone you know and have confidence in. That's why this talk with Mr. Cranford of Church Street, should be mighty helpful here in Louisburg.

H. P. Cranford, garage foreman, Church Street, says: "For spells my kidneys almost failed to act. My back nearly killed me with pain and I couldn't turn in bed without sharp pains stabbing me. It was almost impossible to bend, and mornings my back was sore and stiff. I used Doan's Pills and I haven't had a spell with my kidneys since."

Price 80c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Cranford had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

SAFE MONEY

The cautious motorist carries adequate insurance in his automobile against accident, liability, fire and theft, and he appreciates that this protection is most essential when touring.

There is another prerequisite to touring in absolute comfort and safety—the insurance to the motorist's money against loss.

Automobile tourists have found that this security may be enjoyed merely by transforming their travel funds into American Express Travelers Cheques.

Motorists the country over who wisely avail themselves of this means of escaping financial hazards find that these Travelers Cheques are acceptable everywhere, and the self-identifying feature of the Cheques makes a particularly strong appeal to them.

The sale of Travelers Cheques comprises only one of many important services this bank offers to travelers.

FALL POTATO CROP SUITED TO CAROLINA

Raleigh, June 23.—The coastal plain area of North Carolina is admirably suited to the growing of a second crop of Irish potatoes and if the fall is not too wet a good crop may be produced with a fair profit to the grower.

According to C. D. Matthews, Chief, Division of Horticulture for the State College and Department of Agriculture this second or fall crop is a good way to increase the production of one of the State's most important food crops. Up until now this crop has been regarded as unimportant; but, where the season is long, the fall crop may be grown to advantage.

The main question in growing this

second crop, is the source of seed," says Mr. Matthews. "Home grown seed from the first crop may be used if they have been properly handled but it must be considered that all plants must go through a rest period and these home seed from the first crop do not always give as good results as seed full rested and taken from storage. The potatoes from storage are fully mature when dug but most of the early crop is dug before the crop matures. This one fact determines the value of the homegrown output."

Mr. Matthews states that the Irish Cobbler is one of the best varieties for the fall crop. Triumph or Bliss is another good variety. The McCormick or Lookout Mountain is well fitted for the second crop. This variety will

stand unfavorable weather conditions and will always give good yields but is a poor potato for the table.

Test made by the Division of Horticulture show that the best time for planting the second crop is from the middle of July to middle of August.

Six hundred houses and barns have been painted in Cleveland County since the paint campaign was begun in that county, reports R. E. Lawrence, farm agent for the State College.
