### CEDAR ROCK NEWS.

As the Cedar Rock people have visited other parts of the county and state, during the summer, they return home with thankful hearts for the fairly good crops which we have.

Our young people (no better can be found) have greatly enjoyed the summer. None have been seriously sick, and all have been happy working some and visiting and receiving visitors.

The revival meeting at Cedar Rock this summer was unusually good. Pastor J. R. Everett was very ably assisted by Rev. E. D. Poe of Weldon.

Miss Wilson, the County Home Demonstration Agent, assisted by very competent chaperones, conducted a very pleasant and profitable encampment for the club girls at Cedar Rock week before last. Here's extending them a most hearty invitation to come again.

Vacation passes swiftly by, and it will soon be time for school to begin. The Cedar Rock people are looking forward to having the best session ever, as the school is now a fully accredited high school. On May 29, Dr. Highsmith, High School Inspector, wrote Principal T. H. Sledge, congratulating him upon the achievement of having met the requirements for having the Cedar Rock School on the accredited list. Again, in the News and Observer of July 27, the people read with interest the list of new accredited high schools, Cedar Rock being on the list of new accredited high schools. Mr. Sledge with the cooperation of the people, has within three years, raised the standard of the school from a three-teacher school to a fully accredited school employing seven teachers.

The Quinine That Does Not Affect The Head Because of its Stim and Invative effect, LAXATIVE BROMO QUININE (Tablets) can be taken in the bed. E. W. GROVES' Quinine is the best. Now the savory perfume of the preservative Kettle, the hot gurgle of the boiling canner, and the dappled whiteness of the drying screen, should be forgetting of good things to eat this winter.

The old front porch and the wicker chair is not a bad refuge on Sunday afternoon, when the speed funds are abundant.

## Sideache Backache

"I have been taking Cardui," says Mrs. Lilla Bolton, of Lake Providence, La. "I got down in bad health and lost in weight until I weighed 120 pounds. I had bad pains in my sides and back and my legs hurt me until I couldn't walk. I stayed in bed half the time. I tried all kinds of medicine, but it did me no good. Finally I tried Cardui and I feel like a new woman."

# CARDUI

The Women's Tonic

"It seems like it did me good from the very start. After I had taken half a bottle I noticed an improvement. I could think for me and I got better and better. The pains in my legs and sides disappeared and I was able to get up and walk. I have gained 30 pounds since I started taking Cardui."

Why not give it a fair trial?
