There are three in this group who have recently given their hearts to God. Lets encourage them in the work they are doing. Lets have for our motto the words of one of the greatest missionaries the world has ever known William Carey. "Expect great things from God, attempt great things for God." If we do this we will not fail in our mission on earth.

B. Y. P. U. CORNER

What Will People Say! Does this question ever enter your mind? Does it keep you from doing the good you might do? Let's not let our B. Y. P. U. work slacken because we are afraid "people will say" something about it. Use your every opportunity to the very best of your ability. You will not be perfect but ever strive to be more like Our Perfect Example, "Jesus the great example is and pattern for us," as that good old hymn says. Do we follow that Great Example as closely as we might? Suppose our clothes were not any nearer like the pattern of the latest style than our lives are like our Perfect Pattern—What would people say? Suppose we were as poor as the little mite we give for the advancement of God's Kingdom. What would people say? Suppose we didn't read and study any more than we read and study Gods Word—What would people say?

Let's see what we can do for Jesus. Work for Him in B. Y. P. U. first for that is a good beginning and encourage those who find it hard to meet the requirements and by all means let's not be one of the "people who say" something about the B. Y. P. U. that would hold back the progress of the union. What will God say when we have done our very best?

Daily Bible Readings. Topic for the week.

Mon. Aug. 25. The New Life of the Believer. Read Romans 6. Key verse 4. We were buried with him thru baptism unto death; that like as Christ was raised from the dead thru the glory of the Father, so we also might walk in newness of life.

Tues. Aug. 26. The Continual Struggle with Sin. Read Romans 7. Key verse 21. I find then the law, that, to me who would do good, evil is present.

Wed. Aug. 27. The Flesh and the Spirit in Conflict. Read Romans 8. 1-17. Key verse 5. For they that are after the flesh mind the things of the flesh; but they that are after the Spirit the things of the Spirit.

Thurs. Aug. 28. The Believer's Final Victory. Read Romans 8:18-39. Key verse 37. Nay, in all these things we are more than conquerors thru Him that loved us.

Friday, Aug. 29. Paul's Sorrow for His People. Read Romans 9. Key verse 1, 2. I say the truth in Christ, I lie not, my conscience bearing witness with me in the Holy Spirit, that I have great sorrow and unceasing pain in my heart.

Sat. Aug. 30. Paul's Prayer for His People. Read Romans 10. Key verse 1. Erethren, my heart's desire and prayer to God for Israel is, that they might be saved.

CHURCH MEMBERSHIP

Some people seem to be members of the church only to have the preacher say something nice about them when they are dead. Some attend services so seldom that no one except the church clerk and the members of their own family know that they are church members. Some don't give enough to the orphanage in a year to feed an orphan child one day. Some don't give enough to missions in a lifetime to pay the cost of one mile of travel on the ocean toward a mission field. Some church members don't contribute enough to the church expenses to feel welcome when they come to church. Others come and enjoy services and congratulate themselves that they are getting so much from the Lord for nothing. There are church members so active that if all did as much as they did toward winning the lost there would not be one soul saved in the next million years. Their shadows don't darken the church doors much oftener than the earth goes around the sun, and their faces are not seen in a Sunday school class as often as they plant potatoes. They consider that the church is honored by having their names. Still these people call themselves Christians!

Church membership should be positive. The church should be a positive force. It should be a home, provid-

It should be a means of cooperation for the spread of the gospel, the care of aged ministers, and the care of the orphans. Is your church measuring up to this? Why?
