FROG OR THRUSH

The bullfrog never croaks except when the shadows begin to fall. The thrush never warbles except when sitting in the top of the tree in the full light of a bright sun. Each has to have its peculiar environment in order to express itself. One needs a gloomy atmosphere in the swamp around where he can make that dismal noise expressive of its surroundings. The other needs the invigorating sunshine to produce the sweet music that fills its beings. Do you belong in the frog or the thrush class? If you associate with grumblers and kickers and never hear the bright and optimistic side of public questions, you will never be anything but a complainer. If you select as associates, people who never see anything but the silver lining, you will be influenced by their optimism and become like them. Always be sure to stay away from the frog-minded people, and get in the crowd where some good is seen in everything. You can't radiate good cheer and be a booster for all things that will improve the community, unless you have those kind of thoughts. Therefore, imitate the thrush and warble, but never croak.

WHY SUFFER SO?

Get Back Your Health as Other Louisburg Folks Have Done.

Too many people suffer lame aching backs, distressing kidney disorders and rheumatic aches and pains. Often this is due to faulty kidney action and there's danger of hardened arteries, dropsy, gravel or Bright's disease. Don't let weak kidneys wear you out. Use Doan's Pills before it is too late! Doan's are a stimulant diuretic to the kidneys. Doan's have helped thousands. They should help you. Here is one of many Louisburg cases: Mrs. W. M. Pleasants, Cedar St. said "I had severe pains in my back and a lameness and soreness. If I lifted sharp pains shot through me. My kidneys acted too freely, my head ached and I was nervous. Doan's Pills, from the Aycock Drug Co., relieved my back and regulated my kidneys."

OVER THREE YEARS LATER, Mrs. Pleasants added: "I have been in the best of health for several years and haven't needed a kidney medicine." Get at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

No Worms in a healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.
