COMPLETED SECOND YEAR

Raleigh, Sept. 8.—Announcing that everything is ready for the reception of the 1924 crop, General Manager Blalock of the North Carolina Cotton Growers' Cooperative Association calls attention to the fact that the Association has successfully finished its second year. With a trained force of workers and with the most modern labor saving and economical office machinery, the Association is prepared to make a considerable saving in operating expense the coming season. Lower insurance rates, lower storage rates, some concessions in freight rates and a substantial reduction in interest rates are among the features. It is estimated that the saving to the members of the Association in operation expense will be close to \$200,000.

The first year of operation the Association handled over \$135,000 bales of cotton and averaged for its members slightly more than 25 cents a pound. Approximately 10,000 bales of the cotton received was old cotton delivered by members who have joined the association.

Reports for the second year show that approximately 131,000 bales were handled and that the total operating expense by reason of selling direct to consumer was very substantially reduced. The members received 29 cents a pound net for middling cotton—a very good price for the season and in fact the second highest average price in a period of over half a century. In the beginning of the season, the management mapped out a program and followed it. A liberal advance payment was made on delivery another payment was made in December, another in the early spring and the final settlement in July. By this program, the membership received money during the season, as they were in need of it—the members received 70 per cent of the value of the cotton before December 25.

Now with the opening of the third season, and in view of the fact that several thousand new members have joined during the summer months, the management looks forward to a will make an advance payment to all members of \$70 on every bale weighing 500 pounds and over with slightly reduced advances on lighter bales. The Association has arranged with the North Carolina Agricultural Credit Corporation for marketing loans on all cotton of the members, these loans to be made at the time of delivery and at a very low interest rate. These marketing loans on bales weighing 500 pounds and over are set at \$20 a bale—by this arrangement members can secure \$90 on every 500 pound bale if desired on delivery.

W. M. U. MEETS IN HENDERSON

The W. M. U. of the Tar River Association met with the First Baptist church, Henderson, September 4 and 5, in their regular annual meeting. There was a large delegation and the meeting was one of unusual interest and inspiration. Some of the outstanding features of the meeting was the sermon by Rev. Charles Howard, pastor of Flat Rock church, and the address by Miss Dorothy Kellam, the State Young Peoples Leader. There was special music by Mrs. McIver of Louisburg and Mrs. Miles of Henderson. Mrs. Henry Upchurch, Superintendent of the Association and Mrs. J. O. Newell, the young peoples leader, both felt compelled to give up their work and Mrs. W. W. Parker of Henderson and Miss Lillie Harper of Laurel were elected to fill their places. The other officers elected were Mrs. R. A. Bobbitt, Louisburg, Secy., and Treasurer; Mrs. J. S. Howell, Mission Study Leader and Mrs. Stevens of Norlina, Personal Service Chairman.

The meeting next year will be held with the Cedar Rock church. Those attending from here were Mrs. J. A. McIver, Mrs. Henry Upchurch, Mrs. J. B. Howell, Mrs. C. A. Ragland and Misses Elizabeth Colie and Virginia Perry.

People who think they are sick greatly outnumber those who really are.

Champion Cyclist Is Here

Peter Moeskops, bicycle champion of the world, who has arrived in this country, is taking an active part in the races held at the Newark velodrome. Moeskops won the world's championship in Paris August 3. Moeskops is one of the largest bicycle riders in the world, standing six feet one inch and weighing 225 pounds.

Ruth Perry Elected President of Mapleville Girl's Club

At the meeting of the Mapleville Home Demonstration Club Tuesday afternoon new officers were elected for the coming year as the officers who served last year are in school in Louisburg now. Ruth Perry was elected president, Myrtle Whelless, vice-president, and Mildred Gupton, secretary. Miss Caldwell, Home Demonstration Agent gave a lesson in sewing, and each club member is to practice the hemming stitch by making a lap towel to bring to the next meeting.

County Fair Opens September 30th.

Last year's premiums have been paid and the premium list for this year's Franklin County Fair will be out in a few days. There are premiums offered for all kinds of bread, cake, candy, pie, for dairy products, for all manner of canned fruits, vegetables, jellies, jams, preserves, etc. The list of premiums for hand and machine sewing and remodeled garments is complete. Don't forget the remodeled garments.

In addition to the regular prizes the Fair Association offers substantial prizes to the Home Demonstration Club whose members win the most blue ribbons in the woman's department. This is the opportunity for your club to win some money.

COLORED GRADED SCHOOL CROWDED

408 Children—The Largest Enrollment—Since Its Beginning.

My people are beginning to wake up and realize that to start their children in school the first day and let them attend school regularly throughout the session means much to them. To educate the boys and girls of my race along the right lines and in the right way, means that they will become a better people. I have a deep interest in my work and want to see the day quickly come when we can have a good, large, well equipped industrial school. This can only come through and by our white friends. If we could only secure such a school for this community, we would get rid of a large per cent of idleness and vagrancies that is causing much nuisance in the community. We are hard down at work doing the best we can with the large number of children under our care. The behavior of our children so far has been very good. In giving our children instruction each morning we always say to them be mannerable everywhere and at all times. I only wish I knew how to thank both my white and colored friends for their kind interest in our school work. For 24 years I have striven hard to teach not only books but to get into the hearts and minds of those under my care that harmony and a good spirit is the real true principle that we need to build a solid foundation in so doing we win the sympathy and respect of our white people. We can say or think as we please but the south is the best friend to the negro.
