Old Folks' Ailments

"I began taking Black-Draught over fifty years ago and my experience with it stretches over a good long time," says Mr. Joe A. Blackmore, a Civil War veteran and former Virginian, who is now a prominent citizen of New York, Texas. "It is the best laxative I know of for old people. A good many years ago, in Virginia, I used to get bilious and I found that

Thedford's

BLACK-DRAUGHT

was the best and quickest relief I could get. Since I came to Texas I have these bilious attacks every now and then—a man will get bilious anywhere, you know—and I find that a little Black-Draught soon straightens me out. After a few doses, in little or no time I'm all right again." Thedford's Black-Draught is a purely vegetable liver medicine, used in America for over eighty years. It acts on the stomach, liver and bowels in a gentle, natural way, assisting digestion and relieving constipation. Sold everywhere.

New Style Points In Coat Details

In describing coat styles for fall, "straight and slim" almost goes without saying. This silhouette may be taken for granted in ninety-nine cases out of a hundred. In the hundredth case "slim and flaring" will tell the story. It is in details of cut, shape of sleeves, color, methods of decoration and choice of fabric that we find features that distinguish this fall's models. Ple fabrics continue in great favor, but they have been joined by heavy ribbed silks and certain novelty weaves in wool materials. In colors all the warm browns, dark greens, some deep reds and castor shades are among the rivals of black. A handsome brown coat is pictured, with dyed squirrel collar and banding on the medall sleeve. It is further enriched by a broad embroidery in self color. Fifty-two farmers, members of the Randolph County Farm Bureau, have ordered 17,350 pounds of the new government explosive, Pyrotol, for blowing stumps and rocks on 365 acres. This is the first order received by the extension division of State College for this cheap explosive. Habitual Constipation Cured in 14 to 21 Days "LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 60c per bottle. FARMERS FOR RENT—I have several farms for rent for 1925 to parties owning their own team. Will rent for cotton or on shares—furnishing all fertilizer. See or write me at once. J. R. WRIGLEYS

Chew it after every meal. It stimulates appetite and aids digestion. It makes your food do you more good. Note how it relieves that stuffy feeling after hearty eating. Whitens teeth, sweetens breath and it's the goody that keeps you healthy.

D. B. Batten of Anson county refused to lay by his cotton when others did about the last of July. He kept plowing and indications are now that he will make 50 per cent more cotton as a result, reports county agent J. W. Cameron.
