OVER FOUR MILLIONS ADVANCED

Raleigh, Nov. 18.—More than four million dollars have been advanced to members of the North Carolina Cotton Growers Cooperative Association, since the beginning of the present season, according to a statement issued by T. W. Chambliss, Director of Information last night. The exact figures up to the close of business November 15 were \$4,283,161.29.

The present crop is considerably later than it was in the fall of 1923 but the percentage of deliveries to date is larger and despite the shortness of the crop, Cotton is coming to association warehouses rapidly and the deliveries last week were far beyond the receipts of the same week last year. This week started off with very heavy receipts, Monday bringing reports of over 3,000 bales delivered.

AT PROSPECT

We are requested to announce that three classes of the Prospect Sunday School will give a Thanksgiving program Thursday night, November 27th. After which will be held a box party. The proceeds will be used for the benefit of the church. Every body come and bring your friends and help in the good work.

RED CROSS ROLL CALL

The annual canvass for members of the American Red Cross Society will be made in Louisburg next Monday November 24. The great work of this organization is too well known to need explanation. The Kiwanis Club of Louisburg is sponsoring this Roll Call and E. H. Malone is Roll Call Chairman. It is desired to complete this canvass in one day and the workers will make it a whirlwind affair. Be ready when you are called on to contribute your dollar and feel a just pride in becoming a part of this great charity. One half of your dollar is turned over to the local chapter for use here at home and only one half goes to the national organization.

A. F. JOHNSON, Publicity Chairman.

REV. O. W. DOWD RETURNS

Rev. O. W. Dowd returned Tuesday from Wilmington where he attended the Annual Conference of the Methodist Church, to take up another year's pastorate of the local Methodist church to the great delight and satisfaction of the people of Louisburg regardless of denomination. He will conduct regular services next Sunday.

LUCIUS EVANS WILL PREACH AT THE LOUISBURG BAPTIST CHURCH NEXT SUNDAY 7 P. M.

We extend a special invitation to all boys and girls to hear him. Lucius, who was converted a year ago in the great service at Flat Rock Baptist church in which 80 were received for baptism, is a young fellow in the ninth grade of the Franklin high school. He has already been called as Pastor at Randall's Chapel, and has accepted the work. Lucius was ordained to the full ministry of the Gospel Sunday, November 9th, the writer preaching his ordination sermon. I have never seen a young man who seems to be more humble and spirit-filled. Come to hear him and pray that God will use this Franklin County boy as one of His greatest messengers of the cross.

JOHN ARCHIE McIVER.

WILLIAMS—HOLMES

Miss Bettie Gray Williams and Mr. Russell I. Holmes, were happily married on last Sunday at the Baptist parsonage by Rev. John Archie McIver, in the presence of only a few intimate friends. The bride is the daughter of Mr. and Mrs. J. R. Williams, and possesses a beautiful personality, and is especially popular among a host of friends. The groom is a young civil engineer of efficiency and ability and is connected with Mr. M. S. Davis in his highway engineering. Their many friends extend congratulations.

TUESDAY AFTERNOON BOOK CLUB

Mrs. D. F. McKinne was hostess to the Tuesday Afternoon Book Club on November 17th. The writer under discussion for the meeting was Victor Hugo which seemed a very fitting subject for Armistice Day, since he was so vital a figure in the Historical Literature of France. Mrs. Parham, acting for Mrs. Palmer, gave a talk on the life of Hugo in his home. Mrs. Mohr read sketches from that greatest of masterpieces, Les Miserables, in which Cassette was described. In addition to Victor Hugo, there were two other noted personages discussed, George Sand and Chapin. Mrs. White read an interesting paper on the romance of George Sand and Chapin. Mrs. Berkeley gave a lovely piano selection, and there were two attractive numbers on the Victrola. The programme closed with "Marsellaise" by the club. Delicious refreshments were served consisting of salad course, dessert and coffee.

KIWANIS

Last Friday night was a most interesting meeting of the Louisburg Kiwanis and a most interesting program was arranged by Kiwanian William R. Mills. The address by Dr. C. E. Brewer, of Meredith College, was most excellent and timely and was much enjoyed.

Dr. Sikes, president of Goker College and District Governor for this District was present and made a most interesting talk. A special musical program was rendered which was one of the delights of the evening.

SPECIAL VOTE OFFER ENDS SATURDAY

Now Is A Good Time To Enter The Campaign

CONTESTANTS MAKING GOOD START

To Get the Biggest Start at the First Is a Great Help at the End—Take Advantage of the Special Vote Offer and Pile Up Big Beginning

Announcement in last week's paper of the special bonus in The Franklin Times "Salesmanship Club" aroused intense interest throughout the territory, as clearly indicated by a flood of responses. Members who had entered and were in the running before the announcement were immensely enthused by this added inducement, while prospective candidates hovering on the edge of decision were in doubt no longer. Here's the bonus proposition. Until November 22nd, every \$30 worth of subscriptions turned-in will receive the regular basic credits and in addition will receive a bonus of 175,000 extra votes. This applies to all subscriptions turned in before the announcement, as well as all those turned in from now to November 22nd. The object of the bonus is to stimulate members of the "Salesmanship Club" and those who want to be members, to put forth top speed in the early stages of the race. The campaign will not be over by any means on November 22nd. It will have seven weeks yet to go. But the bonus will be over November 22nd. From now to November 22nd, therefore is the golden harvest time—the sunshine time, when each and every worker should be making hay and making it fast—the double speed time, when every worker who is moving with any sort of speed can travel at more than double the maximum rate of speed. It is like the straight-away on an automobile course, where the driver has in front of him a level stretch with no curves. When he comes to that stretch he puts his foot down as far as the accelerator will go, and gives her the hot spark and lets 'er fly. That's the place where the real speed is made. And this is the straight away for the workers in the Times "Salesmanship Club"—the double speed stretch where the wise workers are going to step on the gas. Make Hay While the Sun Shines. From now to November 22nd the sun will be shining more brightly than in any other period in the Franklin Times "Salesmanship Club." And now is the time for workers to be making hay. Now is the time to enter, if you are thinking about it. Now is the time to step on the gas if you have already entered. Offer Closes Saturday Night. After Saturday night the special bonus of 175,000 extra votes will be withdrawn. This is the time to do your hardest work, now while your subscriptions will count for so many votes. The wise members will collect up all their promised subscriptions and get them in before Saturday night 10 o'clock. If you have been thinking of entering the "Salesmanship Club," now is the time to send in your name and get busy while subscriptions have such tremendous value. If your name is not in the list send it in at once. There is plenty room for many more active workers.

LEAVES PROPERTY TO CHILDREN

The will of the late S. C. Vann which was probated this week is very short and simple, giving what was left of his estate to his three children and two additional acres of land adjoining Fairview Cemetery to the cemetery.

Mr. Vann several years ago had divided his property among the members of his family, less the amounts that he expected to give to benevolent and charitable purposes.

He lived long enough to carry out personally these purposes which included \$100,000 to the Methodist Orphanage in Raleigh, \$20,000 to establish the Bettie Henley Vann Fund for the collegiate education of graduates of the Methodist Orphanage, \$10,000 to Trinity College at Durham and \$300,000 for the Franklinton Public School.

IN MEMORIUM

We are proud not to realize who walks in our midst until he has passed. Though that is not the case with the life which has just passed from us, for Corbit's friends knew that his friendship was to be valued. Corbit Cash was born in Granville county in the year 1901. He did not spend a long life in this world for the sunset of his life came in 1924, making him twenty three years old. From the pen of a friend I say that his life could easily point one to our Master, who doeth all things well, and again his death causes me to have a closer relation with the grave and the victory which is sometimes wrought by death. One who knows him does not have to ask if he were a christian, for he was a devoted one. His church membership was with Flat Rock Baptist church in Franklin county. There is glory in both life and death of a believer of Christ. May his parents, brothers and friends realize that. My trust now is that with Corbit's life as a light, may we be able to look more dearly into God's plan of salvation, may our faith be planted more firmly on Christ. A FRIEND.

PRICES VERY SATISFACTORY

On Louisburg Tobacco Market the Past week

Prices on the local tobacco market the past week have been especially satisfactory to the many growers who have visited Louisburg. The sales have been very satisfactory in every particular, and quite a good quantity of the weed has been handled. The buyers have not filled all their orders yet and are showing a real desire to get the weed, which brings about lively sales and spirited bidding. Bear in mind that the warehouses will close next Wednesday to observe Thanksgiving, and will open again on Monday, December 1st. If you have any tobacco ready you had better bring it on before the last minutes.

PERSONNEL OF SYMPHONY

August Teissler, solo violinist, was born in Geneva, Switzerland, the son of a famous band master. He graduated from Geneva Conservatory in 1907, and from that time till 1910 was associated with the leading opera company in that city, as first violinist. He then sailed to this country, where he occupied the important position as solo violinist with the French Opera Company in New Orleans, after which he returned to his native land as a member of a prominent Symphony Orchestra. He again came to this country, after he served in the Swiss Army, and has since been the director of a leading orchestra in New Jersey during the winter, and has travelled on the chautauqua platform for Mr. Richmond in the summer. Moiseur Armand Couillet, the second violinist, is on his first tour of the country. A graduate of the famous Lyons Conservatoire in France, he was for years a member of the orchestra in the leading opera house there, thence he sojourned to Algeria, Africa, and has played there for the last two years with the leading French Symphony. While with this organization, he was engaged by Mr. Richmond to travel on the Lyceum platform. Raleigh Drake, the cellist, hails from the West, and is a native of Iowa. He received his training with Hans Hess, the famous cellist in Chicago, and for the last year or two has been with Alwin Schroeder, the veteran cellist of the Boston Symphony Orchestra. Mr. Drake filled over fifty engagements with Richmond's Little Symphony in New York State alone. Mr. Goldberg, the viola player, is a Bostonian, and has been associated with the New England Conservatory of Music. Edward Powell, the flutist, has also travelled in previous seasons for Mr. Richmond. He received his training from George Laurent, the solo flutist of the Boston Symphony Orchestra. The pianist of the Little Symphony is a soloist of note, who has been trained in solo and ensemble. In addition to appearing on the program, he will comment informally in the numbers played.

ACCIDENTALLY KILLED

Information reached Louisburg Wednesday from near Rock Springs, of the accidental shooting and killing of William Henry, the 3 year old son of Estelle Thorne, by Clarence Thorne, 12 year old son of Lillian Thorne, all colored. It seems that Clarence picked up the gun and snapped it at the smaller boy not knowing it was loaded, all in fun. The gun being loaded, of course did the deadly work. The load took effect in the side of the child's face and neck.

IN MEMORY OF MY ANGEL MOTHER

Fond recollections of mother, Mrs. A. M. Davis, linger in my mind today. On the 16th of July the angels called my mother away, and deep sorrows linger still in our home. We miss her, oh we miss her. Our home is so dark and still no voice in the chamber, no sound can be heard. It is so hard to give her up. But God knows best. Although we loved her dearly, Jesus loved her best. He took her home to rest. Though it grieves us to part with her, Blessed be the name of God, who giveth and taketh away. Why should we want to call her back, even if we could. This sinful world is too bad a place for such a sainted mother. HER DAUGHTER.

FEDERATION OF WOMAN'S CLUB TO MEET AT FRANKLINTON 1925

The following paragraph was taken from the write up of the meeting of the Seventh District Federation of Woman's Clubs, in the Roanoke Rapids Herald, which was held at Roanoke Rapids last week. From it will be learned that Franklinton will be the host to the district meeting in 1925. Two invitations were given for the next annual meeting, Franklinton and Henderson, but as Franklinton was the first to ask for the same, the invitation was accepted.

Friendly advice is good to follow, but always make certain first that it is friendly.
