FORMULAS OF SUCCESS
The fact remains that most men die poor. However rich or well to-do, they may be at some time in life, after their debts are paid very few have anything left for themselves in old age or for their families after they are gone. Court records show that out of 100 men who die, 70 leave estates of \$10,000 or more; 15 leave no income producing estates at all. Out of every 100 widows 3 are left in comfort, 15 are only temporarily provided for, 47 are obliged to work and 35 are in absolute want. And when we add to this the unfortunate children of these widows, we have a picture that should cause any man to think; a picture that no reasonable, thoughtful man could view and not be impressed with the immediate need for life insurance. Death is never a pleasant subject at best, and unless we keep our house in order, it will haunt us day and night.

Yours for better service,

The Modern Idea in WATCHES

THE modern idea in watches is FIRST a good "Time Piece". After that comes refinements of manufacture and design. Time has made clear to us, for example, that when a father buys a watch, he wants it to last more than his OWN life. He wants to give it to his son, in turn.

This store has always specialized in "Time Pieces". As the minutes tick off, we care less about adornment than accuracy. Here you will find the dependable makes—proud acquisitions for the generations to come. And there are the daintiest, prettiest watches for women, too—new models, new designs. It will be worth your while to come and see them.

We wish to call your attention to the W. W. W. line of Guaranteed Pearls, just in. Never were such pearls offered at this price and with such a guarantee. Then there are the new White Gold 18-K diamond rings, engagement rings, wedding rings—and mountings we can make for you, if your present rings are frankly "out of style".

No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHERRY TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Worms will then throw off or die of the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.
