## Are You Tired, Aching— All Run Down?

This Louisburg Resident Tells You How to Get Well.

Tired all the time? Lame, stiff and aching? Tortured with nagging backache? Knife-like twinges when you stoop or lift? Miserable with headaches, dizzy spells and bladder irregularities? All are signs of kidney sickness! Use Doan's Pills—a stimulant diuretic to the kidneys. Here's Louisburg testimony: "My kidneys didn't act properly, and my ankles and limbs swelled. My back ached and this steady, dull misery in my back easily tired me out. I couldn't get about very well and I had to force myself along. Doan's Pills cured me and I have had no return of the trouble." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Williamson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

### PROUD TO BE DEMOCRAT

To the Editor:  
I am sending a clipping from The World (N. Y.). I want to tell you I am from the State of North Carolina and am a Democrat (Southern) and this clipping has made me mad enough to fight the one that wrote it if I was a man.

I do not think that Mr. Coolidge was elected, but appointed and if these reports are true isn't it so? These are the reports from a man in Montclair, N. J., to my husband. This is as he said it: "We could not expect anything else when Mr. Coolidge went to the leaders of the Republican party before they met at convention and said, Nominate me and have me elected president for the next four years. If you don't I will put you behind the bars." So to do this they have spent fifteen million dollars to buy votes and closed down Edison's factory here in West Orange, factories in Trenton, Newark, Chicago, Detroit, and Cleveland. Three or more weeks before election with this remark: "Come back to work November 5 if Coolidge is elected; if not don't come back." They are for the laboring man. In that way they forced them to vote for Coolidge. Thank God! the South could not be bought. They went around and told that Mr. Davis was a Catholic

to gain votes.  
Mr. Daniels, are we going to sit still and let this go on? I do think he ought to be made to do something with those rascals of Washington. But he is afraid now, for if he did they would squeal on him. I am coming back South, where honest, upright people live.  
I just felt like I wanted you to know how the devil was at work up here.  
**MRS. H. L. FREEMAN.**
