BAPTIST WOMEN SEEK \$22,000,000

BACRIFICIAL EFFORT IS BEING MADE TO RAISE THEIR FUEL SUBSCRIPTION TO 75 MILLION CAMPAIGN

NEW PROGRAM PLANNED

Causes Through Canvass Members November 30— December 7.

Under the leadership of the Woman's Missionary Union, auxiliary to the Southern Baptist Convention, the Baptist women of the South are seekto raise \$7,000,000 in additional

cash between now and the end of the year for the Baptist 75 Million Cam-paign, thus matching their subscrip-tions in 1919, when the program was launched, with actual payments, it is announced at Baptist headquarters. The women were asked to assume responsibility for \$15,000,000, or one fifth of the goal of the Campaign. but their subscriptions went far be-

but their subscriptions went far beyond this.

Their original goal of \$15,000,000 in cash had been reached by the women June 1, 1924, and under the leadership of Miss Kathleen Mallory, corresponding secretary of the Woman's Missionary Union, they are making extra efforts to meet their pledges as well as their quota. Thou-sands of Baptist women throughout sands of Baptist women throughout the South are practicing self-denial in many ways in order to make spec-ial contributions to the missionary, educational and benevolent enter-prises embraced in the Campaign, while other thousands who have al-ready paid out their subscriptions are making special thank offerings that the goal may be reached. Reports indicate that thousands of Baptist men as well will redeem their sub-scriptions in full during this year?

Large Results Obtained
Indicating some of the results that had been realized from the Campaign up to May 1, 1924, the general head-quarters reports that the foreign mission force has been increased over 100 per cent, while as many persons have been baptized on the foreign fields in the five years of the Campaign as there were church members there at the outset of this program after 75 years of missionary effort. In the realm of home missions that 1,170 workers report the baptism of 203,532 persons, organization of 1,698 Large Results Obtained 203,582 persons, organization of 1,698 new churches and 3,383 new Sunday schools, and the completion of the \$1,000,000 Church Building Loan

Fund.

An average of 2,784 state mission workers have been employed during the Campaign who report 240,684 baptisms, organization of 1,646 churches and 3,035 Sunday schools, and the erection or repair of 2,331 houses of workip. Into the 119 Southern Baptist schools, colleges and seminaries the Campaign has put \$7,525,485 in permanent improvements, \$2,910,420 in maintenance, and \$2,782,231 in endowment, while \$1. 277021 has been employed in the cancellation of outstanding debts.

cellation of outstanding debts.

Old Preachers Alded

As a result of the Campaign more than 1,000 aged preachers and their dependent ones have been helped;
34,464,000 has been put into 19 Baptist orphanages caring for 4,000 homeless boys and girls; while the number of Baptist hospitals in the Bouth has been increased from 22 to 24.

In order that there may be no letup in the support of the general missionary and other causes fostered by the denomination at the close of the 75 Million Campaign, plans have been perfected for the projection of the 1925 Pregram with the week of November 36 December 7, when an every-member canvass will be made of the 28,000 Baptist churches of the South for the support of state, home and foreign missions, Christian education, ministerial relief, hospitals and orphanages next year. These are the same interests that have been orphanages next year. These are the same interests that have been embraced in the Campaign but they be supported in the future on basis of annual subscriptions the members of the churches rather than on a five-year pledge.

rather than on a five-year pledge.

Want \$15,000,000 Next Year
Reports reaching the general Campaign headquarters are to the effect that organisations have been set up throughout the territory of the Southern Baptist Convention looking to the completion of the old Campaign through the redemption of the pledges, and the successful launching of the new program through the taking of subscriptions for next year, at the same time. It is the hope of those charged with the leadership in these programs that a minimum of \$15,000,000 will be raised for the general denominational enterprises in 1925 and that each year there after there will be an increase or the preceding year.
