Opening of Toyland

SATURDAY, DECEMBER 6th

"JUST SEE WHAT I'VE BROUGHT TO TOYLAND"

Well, Folks, here I am again. And I've a big surprise for you, too. This year I decided that Toyland should have the biggest and best collection of fine new gifts that I could find. I searched the world over and here is the result. I know you'll be surprised and delighted with the hundreds of presents I've just emptied from my pack.

Now that I've brought all these wonderful gifts to Toyland, won't you arrange to come down and look at them? It's none too early to start Christmas shopping and you'll find it easier to select while assortments are large and complete.

I'm expecting you, for I want you to see what great things I have done at Toyland.

Yours for a Merry, Merry Christmas,
SANTA CLAUS.

We extend a most cordial welcome to everybody to visit our store on the above day, both young and old, and meet Santa Claus in person. He will probably have a nice present for you. We have one of the biggest assortments of the newest goods that we have ever handled. You don't have to go to the big city to get the high grade toys. We have brought them to your home town. For instance we have dolls from 5 cents to \$15.00 each.

Orders can be filled before the above date, but our stock will not be complete until December 6th.

FORMULAS OF SUCCESS

The fact remains that most men die poor. However rich or well to-do, after their debts are paid very few have anything left for themselves in old age or for their families after they are gone. Court records show that out of 100 men who die, 3 leave estates of \$10,000 or more; 15 leave estates of \$2,000 to \$10,000, and 82 leave no income producing estates at all. Out of every 100 widows 3 are left in comfort, 15 are only temporarily provided for, 47 are obliged to work and 35 are in absolute want. And when we add to this the unfortunate children of these widows, we have a picture that should cause any man to think; a picture that no reasonable, thoughtful man could view and not be impressed with the immediate need for life insurance. Death is never a pleasant subject at best, and unless we keep our house in order, it will haunt us day and night.

Yours for better service,
