Entered at the Post Office at Louisburg, N. C., as second class matter.

THE Town Commissioners at their meeting Thursday night of last week, directed their attorney to lay plans before them for consideration looking to placing the town on a City Manager basis. This is the continuation of the efforts of Dr. Fleming to bring about a change in the financial management of the town begun two years ago.

THE overwhelming results of Saturday's election is a source of satisfaction and pride to the people who love Louisburg and its historic traditions. That the voters have told the world that the community is still on the forward march of progress is shown in the strongest terms. That the parents have shown to the children of the district that they still love them and want to provide them with the best there is, is more than evident. And the rebuke to those who besmirch the good name and good intentions of the community is pronounced. The vote represents the strongest kind of endorsement to the Trustees and is so accepted with great satisfaction to those who are directly responsible for the new building. Louisburg can always be counted upon to do the big and wise thing.

MR. AND MRS. L. L. JOYNER ENTERTAIN FOR MR. AND MRS. HARRELL J. LEWIS

The beautiful home of Mr. and Mrs. L. L. Joyner was the scene of a lovely reception Wednesday afternoon from five to seven o'clock in honor of Mr. and Mrs. Harrell Lewis. The guests were met at the gate by Mr. and Mrs. James King, and upon entering the spacious lawn, green with freshness and fragrance of an ideal May day, they were directed by Mr. and Mrs. B. B. Perry to the punch bowl where Mr. and Mrs. J. M. Allen served delicious punch from a most uniquely attractive punch bowl. It was a solid block of ice into which had been molded a receptacle for the punch. The ice was profusely adorned with flowers and ferns, and the clear, rich color of the punch and varied colored fruits as seen through it was indeed a tempting sight.

Miss Abiah Person and Mrs. S. P. Boddie ushered the guests across the lawn to the receiving line composed of Mr. and Mrs. L. L. Joyner, Mr. and Mrs. Harrell J. Lewis, Mr. and Mrs. M. S. Clifton, Mr. J. W. King, Mr. W. H. Ruffin, Miss Louise Joyner, Rev. J. D. Miller, Miss Annie Willis Boddie and Master Maurice Clifton Joyner.

Miss Lucie Clifton Boddie led them next to the foot of the steps entering the house where they were served a tempting ice course by Misses Francis Turner, Mary Malone Best, Anna Gray Watson, Eugenia Perry, Felicia Allen and Kitty Boddie.

The Louisburg Orchestra rendered many beautiful selections during the afternoon.

Plays Golf on 78th Birthday

Charles Payson Mathewson of Walthill, Neb., celebrated his seventy-eighth birthday at Tarpon Springs, Fla., recently, by playing 78 holes of golf with an average of 5%. Mr. Mathewson has been playing over this course for 13 consecutive seasons.

LOUISBURG COLORED GRADED SCHOOL CLOSING, MAY 21-27 1925

The colored graded school has had a most prosperous term. The enrollment is the largest in its history. My people on a whole have done their part to make things go well.

We have tried to teach the proper things to make the boys and girls industrious, honest, polite, and better citizens. As teachers, we earnestly want our people to conduct themselves in such a manner that they will win the highest regard and respect of our white people.

I consider it a rare opportunity to have the chance to help mold the characters of nearly a thousand children in the three schools under my care.

I feel deeply grateful to the Honorable Board of Trustees and good Supt. W. R. Mills for their never failing interest in our school.

The following is the program of our closing after a most successful term for the year 1924-25. We extend a most cordial invitation to both our white and colored friends to attend all of our exercises. Special arrangements will be made for our white friends.

Sunday, May 24, 3:30 p. m.—Baccalaureate Sermon, by The Rev. Isaac W. Hughes, Rector of the Holy Innocents Episcopal Church, of Henderson, N. C.

Monday, May 25, 8:30 p. m.—Exercises by the Primary Department, Admission 25 and 35c.

Tuesday, May 26, 8:30 p. m.—Exercises by the Intermediate Grades, Admission 25 and 35c.

Wednesday, May 27, 11 a. m.—Graduating exercises. Annual address will be delivered by Dr. M. C. King, of Franklinton, N. C.

All of these exercises will be held in the Graded School building.

We have enrolled in the school this term five hundred and eighty children. The average attendance has been the best in the history of the school. We are trying to teach the children the right things. My people are very proud of the work that has been done this term.

GEORGE C. POLLARD, Principa.
