LOUISBURG, N. C., FRIDAY, SEPTEMBER 4, 1925

FRANKLIN COUNTY FAIR TOBACCO MARKET

To Begin on Tuesday, October Louisburg To Have Three

Big Fireworks Display Secured For Day And Night Performances-Fair Promises To Be Best In Years.

.6th.

Announcement was made today by A. H. Fieming, Secretary of the Franklin County Fair that an elaborate fireworks show has been contracted for to be presented here in connection with the Fair to be held October 6th to 10th inclusive.

The contract for the fireworks display has been awarded to the Ohio play has been awarded to the only movement to not only match to bacco Display Fireworks Company of Cleve land, Ohio. This company makes a specialty of presenting mamnoth night and day fireworks shows. A special fireworks expert will be

A special nreworks expert where fire-sent here to look after the entire fire-works program that is to be shown here in connection with the Fair. Word to this effect was received here tresday. September 15th, 1925, and today from the Ohio Display Fireworks Company which was awarded the con-quainting the people with the advantract of presenting the mammoth tages of the Louisburg Market. show

et. at the gigantic fireworks exhib.

"Young folks, old folks, everybody come, the along to the fireworks show and have a lot of fun." This will be the slogan on the lips of everyone

It surely will be fun for everyone. Little Johnny will be tickled to death when the bombs explode with a roar that nearly makes one deaf. Mom and Grandpop will be highly pleased and entertained by the rare color beauty and realistic affect of the stupendously large floral numbers that

are included in the program. In addition to the usual bombs, spit-devils, pin-wheels etc., the Fair Association will put on a full play in fire each night beginning Oct. 6th, and lasting through the entire week, with day fire works on Wednesday, which will be school day.

The 1925 Premium List will be off the press in a few days and will be sent to all interested in winning Premiums

The Fair promises to be the largest and best ever held in this section of the State.

SCHOOL TO OPEN MONDAY

School opens Monday for the Fall term. It will be good business for the parents to get the books needed by the children this week. This will save time next week. We want to be The tobacco warehousemen and the gin work the first hour; to do this we must have tools. Last year too many pupils failed. This is particularly true in the high school. Nearly all the boys failed on one or more studies. This is not necessary; it means that there was too little study. The school is not to blame for all of this. The teacher can not regulate the life of the pupil af-ter he leaves school. Lessons may be assigned for study at home, but the S+pt. 14th. teacher is powerless to enforce this study. When your boy tells you he has time in school to do all of the

Average of Prices Three to Five Cents Lower Than. Year Ago

BIG SALES ON OPENING

Everywhere Markets Were Overwhelmed With Rush of Weed; Even Greatly Increased Facilities Prove Inadequate; Block Sales Reported In Many Markets and Hundreds of Thousands of Pounds Remain To Be Sold Wednesday; Grades Appear Below Those on Opening Day of Last Year.

Between 7,000,000 and 8,000,000 ounds of tobacco were handled in the business of the opening day of the n:arkets in the bright leaf belt in Eastern North Carolina Tuesday, bringing an average of about 16 cents per pound for an aggregate value of the day"s sales at more than \$1,250,000. All records for opening days' sales were broken in several of the larger markets."

The price average of the opening day is from 3 to 5 cents under the opening figures of last year, but compared to the ten-year average, they are well above it, and show a healthy increase over the disastrous drop registered five years ago when the big-gest crop in the history of the State was sold at figures far under the cost of production. Tuesday's prices, while somewhat disappointing, are accepted hopefully by the growers.

Everywhere the markets were over-whelmed with the rush of tobacco. In many markets block sales were report-ed, and many thousands of pounds were held over for the opening of the markets Wednesday morning. In Wilof the School of Business. Mrs. Etta Month Kinston, Greenville and Rocky Mount, the four largest markets in the

Definite figures from any of the markets were not obtainable Tuesday night. Bookkeepers and warehouse officials were completely overwhelmed and were working late into thenight to bring their books into shape for the opening Wednesday morning. Many of them declared that they were able to give only estimates of prices. Their figures as to weights were fairly definite, but until the disbursements for the day were checked, the average price per pound could not be officially announced.

Prices, according to statements is-sued, ranged from 15 cents at Goldsboro to 22 cents paid for smaller offerreaching is taking well, and it is oped the result of the metings will dd many to the church. Notwithstanding the unfavorable ultivating seasons we have good er than the closing sales, it was said. Modern Languages-University of IIIi- The market was stronger in the after-

> of the first curing, and of a generally poor quality. Few markets reported sales of the better grades. The highest price paid, from reports available, was 38 cents. Sales reported unofficially Tuesday night follow: Wilson, 1,700,000 at 16c. Kinston, 1,285,000 at 16c. Greenville, 1,000,000 at 16c. Rocky Mount, 650,000 at 21c. Goldsboro, 500,000 at 15c. Washington, 250,000 at 16c. Warsaw, 300,000 at 18c. Farmville, 263,000 at 16.47. Smithfield, '250,000 at 16c. Tarboro, 150,000 at 16c. Wendell, 20,000 at 22c.

MISS TAYLOR RECITES

Quite a large number of Louisburg people enjoyed a delightful recital at the Woman's Club rooms on last Tues-day evening Sept. 1st, when Miss Louise Taylor, who has just returned from a Boston Conservatory, enter-tained those prescrit with fine produc-tions rendered in a most evening.

study necessary to get along with high school classes, he is probably de-ceiving himself and yon. The Lord did not make many boys of this sort and very few of them live in Louis-turg. To do a satisfactory job of high school work there should be at least two hours of study out of school, either in the afternoon or evening. This leaves ample time for recreation, but not much for high class, gilt-edge, Hue-ribbon loafing. Too many of our boys are authorities on the batting averages of the big league players; the

knockouts of the prize fighters, the merits of the movie stars, but they know almost nothing about the studies necessary to get through high school and into college. While I am writing this too many of them are sitting on boxes on our streets doing nothing. In many instances they know how to do nothing, and apparently they are sat-isfied. Shall we continue to train our boys for this sort of living? If the chool and the home will co-operate in the right way we can do more for the fine fellows now in high school than we have done in the past. If you leave the entire job to the school, your boy will probably be a worthy suc-cessor to the fellows who have failed in their work in the past.

BARBECUE

tained those prescrit with fine produc-tions rendered in a most excellent manner. Miss Taylor is developing a wonderful talent to the delight of her many friends in Louisburg, and her success is easily assured. All present thoroughly enjoyed the evening.

finds its way in all the homes of the community which it serves. Bill Braswell is fitting up room and in a few days will be in the new

recidence of Mrs. J. M. Braswell. This is a nice location and will be the home of the faculty when school opens

Since placing a game warden in these parts the ruthless slaying of wild game has greatly diminished. Laws should be obeyed and when the Josephine Leonard, Professo ban is raised all will have an equal showing at the abundance of game in this section. PLAIN TOM.
