BLACK-DRAUGHT

Liver Medicine

I began using it and soon my bowels acted regularly and I was greatly relieved. I used it every once in a while for about 18 years. "About two years ago I found I was having indigestion, a tight smothering in my chest, then severe pain, especially after eating sweets. I commenced taking just a pinch of Black-Draught after meals, and by doing this I could eat anything. "I gave Black-Draught to my children for colds and headaches. I can certainly recommend it." Black-Draught is used, with satisfaction, by millions. Get Theodor's. Sold Everywhere E-1077
