A Talk With a Louisburg Man

Mr. Cranford Tells Something of Interest to Louisburg Folks.

There's nothing more convincing than the statement of someone you know and have confidence in. That's why this talk with Mr. Cranford of Church Street, should be mighty helpful here in Louisburg.
 H. P. Cranford, garage foreman, Church Street, says: "For spells my kidneys almost failed to act. My back nearly killed me with pain and I couldn't turn in bed without sharp pains stabbing me. It was almost impossible to bend, and mornings my back was sore and stiff. I used Doan's Pills and I haven't had a spell with my kidneys since."
 Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Cranford had. Foster-Milburn Co., Mrs., Buffalo, N. Y.

TO THE VOTERS OF THE Gold Sand Special Taxing District

Upon request of a majority of the School Boards in the Gold Sand Special Taxing District, the Board of Education has asked for an election to be held on the 11th day of January 1926 on a 50c Local Tax. In order that there may be no misunderstanding on the part of any voter the following information is hereby given:

The 50c tax means 50c on every hundred dollars valuation of property or \$5.00 on every thousand. In the event the 50c tax is voted all local taxes that the Districts now have will done away with.

The Board will run all the schools two months beyond the six months term, and do all the building and furnish all equipment, pay for all trucks and transportation with this 50c tax, and if this tax is not sufficient the balance shall come from the General County School Fund.

The following new buildings will be erected in this territory: a twelve room building for the high school, an elementary school at Mt. Grove, and elementary school at Wood. The Moulton-Hayes building will be completed and if the high school is not situated at Centerville, two rooms will be added to the present building there. Schloss will be consolidated with Mt. Grove and Pearce with Centerville. The high school building will be erected first, and the other new buildings, additions and repairs will be furnished as soon as money can be secured from the State.

Upon recommendation of some of the leading people in this territory, the Board of Education hereby agrees to have printed on the ticket For Special Tax the following three sites: I. Gold Sand. II. Centerville. III. Sandy Creek. Each qualified voter voting this ballot will check the site which is his choice. The Board hereby pledges itself to locate the school on that site which receives the largest number of votes.

The Local School Boards will remain just as they are and will have full supervision of the local schools. The High School Board shall be appointed by the Board of Education. The principal of the high school shall have full supervision of all the elementary schools.

In the event the election is carried, these buildings, repairs and equipment will be furnished as soon as the money can be borrowed from the State by the Board of Education.

The Board of Education of Franklin County hereby pledges itself to carry out the above school program in the event that this election is carried on January 11th, 1926.

Signed:
 A. F. JOHNSON, Chairman,
 T. H. DICKENS,
 J. H. JOYNER,
 E. L. GREEN,
 W. A. MULLEN,
