## 10,000 Men, Women and Children

### TO HELP US UNLOAD

# Our Big Stock

Cold late spring weather, and spring merchandise not having been in demand, as we expected is the reason for our calling upon your help, to help unload our big stock. We are willing to pay you good wages in the shape of lower prices, to help us unload, at the earliest possible moment. Apply during sale. The bargains during this sale will be phenomenal and astonishing, prices will be cut and slashed unmercifully, money only will talk. Come prepared to buy, for the savings will be tremendous.

**Sale Starts FRIDAY, JULY 9th at 9 A. M.**

There is no name for this sale, there isn't any picture, there aren't any! But this is the biggest and most radical sale advertisement, put before the public. You just be here when the doors open, and see for yourself. You will really be surprised at the bargains. Come early, take a taxi down here if necessary. We predict that our store will look like a riot scene today. The doors open at 9 a. m. and here's hoping you don't oversleep. We don't think there will be enough salespeople. Of course we have engaged extra salespeople, but we have to leave room for the customers, so if you have to wait a while, be patient—we will do our utmost to serve you. When you walk through the store and see the price, you'll think that some philanthropist had started to give the store away. You'll see
