FAIR A GREAT SUCCESS THIS YEAR

Colored School Children Make Big Parade

Large Crowds Attend; Very Little Disturbance; West's World Wonder Shows Left Sunday for Bennettsville, S. C.

Saturday marked the closing day for the 1926 Franklin County Fair which proved to be a great success from many standpoints.

Saturday was colored school day and under the management of George Pollard, principal of the Louisburg Colored Graded School, a long and creditable parade was presented.

The exhibits were fine and in larger numbers than had been presented at former fairs.

The officers were always alert, which no doubt had the desired influence that added to the enjoyment of the large crowds.

While there were many concessions that were classed properly as games of chance, and which are always expected at a fair and which adds much to the life and interest in fairs, yet there was no open gambling that we saw or heard of.
