Tom Tarheel says he didn't mind paying for that box at the supper last week when he found the girls were going to send a delegate to the club short course.

Fifty dollars in prizes will go to the best three hog callers at the State Farmers Convention this year. The convention dates are July 26, 27 and 28.

Faulty Elimination

Should Be Corrected—Good Elimination Is Essential to Good Health.

If you would be well, see to your elimination. Faulty kidney action permits toxic material to remain in the blood and upset the whole system. Then, one is apt to have a tired, languid feeling and, sometimes, a toxic headache or headache, and often some irregularity of secretions, such as scanty or burning passages. More and more people are acclaiming the value of Doan's Pills, a stimulant diuretic, in this condition. For more than forty years Doan's have been winning favor the country over. Ask your neighbor!

Headache dizziness

"I HAVE headache once in a while, usually coming from constipation or torpid liver," says Mr. L. A. Morphis, of Pottsville, Ark., "and the very best remedy I have found to correct this condition is Theford's Black-Draught. It acts quickly and easily, and it just can't be beat.

"Black-Draught is the very best laxative I have found. I always feel so much better after taking it. My wife takes Black-Draught, too. For dizziness, costiveness and any little stomach disorder, we find it most satisfactory, and consider Black-Draught a family medicine."

Constipation, with an inactive liver, locks up poisons in the body and allows them to do their dangerous work.

Being purely vegetable and containing no harmful drugs, Black-Draught acts gently, helping the system get rid of impurities and preventing serious sickness. Get a package today. Sold everywhere. 25 cents.
