

DR. J. C. MANN

the well known Eyesight specialist and optician will be at M. Stamps & Son, Jewelers, Louisburg, N. C. every first Thursday in each month. Headache relieved when caused by eye-strain. Office equipped with the latest examining instruments. When he fits you with glasses you have the satisfaction of knowing that they are correct. Weak eyes of children should receive expert attention.

His next visit will be Thursday, July 7th, 1927.

Office hours 10 A. M. to 5 P. M.

What Is a Diuretic?

People Are Learning the Value of Occasional Use.

EVERYONE knows that a laxative stimulates the bowels. A diuretic performs a similar function to the kidneys. Under the strain of our modern life, our organs are apt to become sluggish and require assistance. More and more people are learning to use Doan's Pills, occasionally, to insure good elimination which is so essential to good health. More than 50,000 grateful users have given Doan's signed recommendations. Scarcely a community but has its representation. Ask your neighbor!

DOAN'S PILLS

60c
Stimulant Diuretic to the Kidneys
Foster-Milburn Co., Mfg. Chem., Buffalo, N. Y.

There are so many conflicting reports of what is going on in China, that it might be wise to send Senator Reed and his investigation committee over for a first-class inquiry.

OUR RALEIGH LETTER

(Continued from Page Three)

were taken over, the state reserves the right to change locations of these roads when hard surfaced in order for them to fit in with the state system. The supreme court recently held that the highway commission did not have power to change location of road without consent of the county. This contract gives consent in advance.

The department of public instruction is now engaged in working out plans for distribution to the counties of the \$2,500,000 voted by the last general assembly for the building of schools throughout the state. This money will be loaned to the counties and Superintendent Allen says it will be very carefully administered so as to do the most good. The total of the school loan fund now is \$17,500,000. War veterans are reminded that they will not have much longer to convert their war insurance. Many billions of insurance have not been placed in proper form and the government will not extend the time after July 2.

Pearl Mitchell, Chatham county negro, convicted of the murder of W. N. Fogleman, a merchant of the same county last February, paid the penalty of his crime in the electric chair at the State's prison on Friday. Auto drivers are reminded that the new speed law does not become effective until July 1st. Federal, State and district foresters will meet in Black Mountain June 15, 16 for the purpose of discussing practical problems concerning fire control and preventive measures generally. Curator Brimley of the State Museum, is pleased with the presentation of a monster alligator from the New River section of Onslow county, the fine specimen measuring eleven feet six inches from tip to tip. Liabilities of Chas. W. Horne, recently adjudged bankrupt by Judge Isaac M. Meekins are said to figure around two-and-a-half millions of dollars. Peach growers have been granted a rate reduction by the Corporation Commission. Indications point to a reduction on cotton acreage and an increase in food and feed crops, according to the State department of Agriculture. North Carolina is first in the United States in the production of feldspar, last year's production having a value of \$602,000. Commissioner of Agriculture W. A. Graham gives glowing reports on the crop prospects for this year and points to the large sums farmers have already received for berry and potato deliveries along with thousands of dollars received from poultry shipments.

Nearly all the foods needed for a well selected diet may be produced on the home farm.

Insurance companies declare that the bathtub is a new hazard. A news note of particular interest to all small boys.

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value. Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 60c.

FRESH AS SPRING

A dress or a suit of clothes that comes from our shop cleaned and pressed is as fresh as Spring itself. You can't enter into the spirit of the season if the thought haunts you that your clothing is not neat and clean.

You'll feel better, and you'll look better and be better satisfied with yourself if your clothing is immaculate—and dry cleaning makes it that way.

Send Your Clothes To Us Regularly.

REAL ECONOMY IN FOOD

Lies in buying good food—food that possesses a flavor that makes it palatable and enjoyable. Cheap foods are never worth what they cost. They are usually tasteless and have no value in adding strength to the body.

Did you ever buy can of cheap food or vegetables? Were you not disappointed and wished you had bought a better grade? Did you ever buy a pound of cheap crackers and not wished afterwards that you had paid a cent or two more and got crackers that were really good to eat?

No waste or extravagance in our groceries—the good foods cost no more than the ordinary kind when bought of us.
