TAR DROPS

Right many people were in town Monday. Its a pleasure now to ride across the bridge. Quite a lot of gardening is now being done. The Board of Education did not meet Monday. Work is progressing nicely on the Creamery building. Cotton sold for 18 3/4 cents a pound in Louisburg yesterday. The weather is true to March. You don't know one minute what it will be the next. Messrs. P. S. & K. K. Allen are having a new roof put on the old storage warehouse next to the depot. It is a great deal more comfortable to ride across Tar River bridge since the abutments were repaired this week. His many friends in Franklin County will be glad to learn that Mr. H. E. Hight, who underwent an operation at a hospital in Raleigh on Friday of last week is improving. The first new Ford to be sold on the Louisburg market by Parsons Motor Co. was purchased by Mr. W. H. Allen, Jr. It was a rumble seat coupe, and was a nicely appearing car.

Merry Makers Minstrel

Friday evening at 7:30 o'clock the Merry Makers of Gold-Sand High School under the direction of Mr. Fred U. Wolfe, presented a Negro Minstrel. The entertainment was begun by the opening chorus by the entire troop. After which the stage was left to the comedians and the interlocutor. The comedians were Josh Tharrington, Leland Gupton, Willis May, Graham Nelms, Clinton Gupton, Bruce Tharrington, Farham Gupton, Eugene Harper, Owen Tharrington, Aubrey Gupton, Walter Fuller and Jasper Conn; the interlocutor, Maurice Bledsoe; the end men, Linwood Murphy and Thurman Griffin. The comedians and the interlocutor held the attention of the audience very tensely with many jokes which were "Lets Get Together" by Thurman Griffin, and "My Blue Heaven" by Graham Nelms. The chorus girls, then, who were Sue Egerton, Zena Bledsoe, Rachel Garbee, Elizabeth Fuller, Gladys Bledsoe, Jewel Cottrell, Ava Joyner, Mary Sturgis, Ernestine Cottrell, Mary Lou Gupton, Annie Laura May and Miss Adelaide John-

son entered dancing while they sang, "What Do We Do on a Dew, Dew, Dewey Day." After the chorus girls left the stage Leland Gupton sang "My Bungalow of Dreams" and Josh Tharrington sang "De Wes' Wind Blows From De Wes'". Also many local jokes were told. The chorus entered again singing "Silver Moon" and waiting. There was a short intermission and when the curtains were opened the audience was presented with a monologue, "My Girl and Her Pa" by Leland Gupton. Elizabeth Fuller, standing before an Indian scene, which consisted of the tent and the pines, sang "Indian Love Call." Maurice Bledsoe and Thurman Griffin gave a dialogue "The Automobile Ride." After this the roosters Ben Garbee and David Parrish, entered and had a regular rooster fight. Just as they left, the clown, Torbert Sturgis, danced. Frances Person entertained the audience with an aesthetic dance. A reading, "Seelig Things at Night" was given by Ida Fuller in a very impressive manner. Again the chorus girls entered and dressed in old-fashioned dresses delighted the crowd with an old time dance, the Minuet, which they did very beautifully. Soon the comedians appeared to have more jokes. Linwood Murphy sang "Swanee River Blues" and the chorus girls danced, singing "Croonin' Neath the Cotton-Pickin' Moon" and afterward the finale.

Editor In Chief Lois May Assistant Editor In Chief Linwood Murphy Junior Editors Gladys Bledsoe, Mary Lou Gupton Sophomore Editors Zena Bledsoe, Patsie Ruth Moore Freshman Editors Fuller Parrish, Sue Egerton Farmers Meeting On Wednesday evening at 7:30 the farmers of the Gold-Sand High School District held their regular weekly meeting in the Agriculture room of the high school building. The topic of feeding plants was taken up by Mr. Homer H. B. Mask, who is state manager of the Chilean Nitrate of Soda Educational Bureau. Mr. Mask explained the feeding habits of plants in relation to the use of commercial fertilizers. A discussion concerning the sources and duties of the plant food in fertilizers was engaged in, and a better understanding of the requirements of crops was the result of the meeting. During the last two Saturdays we have gotten considerable work done on the school yard preparatory to the planting of shrubbery. We must get it planted next Saturday. A lot more work remains to be done. If you can help do the work or furnish fertilizer for enriching the soil, please see Mr. Wolfe and offer your services. IN LOVING MEMORY OF MOTHER

On January 9, 1928, just at the dawn of day, God saw fit to call our dear mother away. Sarah Louise Ham was born March 6, 1843. She was the wife of Jno. W. Ham, who preceded her to the grave in 1893. They were given ten children to bless their home. Mama was a faithful wife, and there never was a more loving and devoted mother. Her first thought was always for others. In sickness she was a devoted friend to those who needed her help, never counting her time lost when spent in loving service for others. It was often said that she bore everybody's trouble, and that sympathetic cord bound her to the hearts of many. She was known as the community mother and friend to all. She always looked on the bright side of life, and was submissive to the hand of fate. Not only her children rise up to call her blessed, but many feel that words cannot express her real true Christian character. Mama was faithful to her church as long as health would permit her. We feel that our dearest friend on earth has gone, and how we miss her words of counsel, yet we want to say as did David of old, "The Lord giveth, the Lord taketh, blessed be the name of the Lord." May each of the seven children, sixty-one grandchildren, fifty-seven great-grandchildren, and one great-great-grandchild who survive, so live that her sweet Christian character will be reflected through us, and that we may let our lives exemplify the life of Christ Jesus, whom she loved and served. In so doing we will honor her and glorify our Lord. A precious one from us has gone. A voice we loved is stilled. A place is vacant in our home. That never can be filled.

God in His wisdom has recalled Our Mother He had given, And though her body slumbers here, Her soul is safe in Heaven. —Her Loving Children.

God in His wisdom has recalled Our Mother He had given, And though her body slumbers here, Her soul is safe in Heaven. —Her Loving Children. The silent customer must be handled very tactfully. Just give her her own time, but be ready when she thaws out. Politeness, pleasantness and attentiveness will win. Never be over-insistent. Tom Tarheel says the \$200 that he got the other day when the county agent shipped a car of poultry comes in right handy at this time. Farmers of Ashe county have shipped their first car of seed Irish potatoes to growers of the early crop in eastern Carolina.

Just Tottering, So Weak

"I was in a bad state of health and was going through a critical time of my life," says Mrs. Ella Scarborough, R. F. D. 5, Dothan, Ala. "Several different things were recommended to me, but I did not get any real relief until I began to take Cardui. "I was just as weak as could be. My legs were shaky, and often I would just totter around the house. I finally got so bad that I was in bed several weeks. "It was then that I began to take Cardui. I kept it up for quite a while, and at last I regained my health. Cardui was certainly a friend to me in time of need. "My health is splendid now, and I seldom have to use medicine, but I gladly say a word about Cardui whenever I find a friend going through the same suffering which I endured."
