U. B. BLALOCK SPEAKS TO FARMERS

J. D. Alston Elected President

Franklin County Branch N. C. Cotton Cooperative Marketing Association. H. F. Mitchell Elected Vice-President. A. E. Spivey Made Secretary

Mr. U. B. Blalock, General Manager of the North Carolina Cotton Growers Cooperative Marketing Association, spoke to a large number of members of the Association in the courthouse in Louisburg on Tuesday afternoon at which time he told of the operation of the Association explaining in detail all its actions and the reasons why much to the interest and satisfaction of all those present. He stated that of the 46,330 bales handled by the Association the past year about seventy percent was in the optional pool and about thirty per cent in the seasonal pool. He said the operating expense was \$2.20 per bale, and storage and insurance \$3.57. These prices represent a reduction over former years when the quantity of cotton handled is taken into consideration. He pointed with pride to the fact that after six years operation every bale has been accounted for and they had never lost a dollar in bank failures or bad accounts.

After the excellent address by Mr. Blalock it was decided to reorganize and enliven the organization. As a result, John D. Alston was elected president, H. F. Mitchell, vice-president and A. E. Spivey, secretary and treasurer. The president was authorized to appoint three members to act with Blalock and the other two officers in forming an advisory committee. He named G. C. Banks, R. D. Griffin, J. R. Wainwright, field representative in this district delivered a number of checks representing final settlement to a number of members.

Hamlet Pastor Acting As Presiding Elder

Account of the condition of his health, Rev. C. L. Read, presiding elder of the Rockingham district, Methodist church, has been granted a leave of absence, and Rev. O. W. Dowd, pastor of the Hamlet church, has been appointed by Bishop Murchison to have charge of the work. Rev. R. A. Barcliffe, Jr., of Duke University comes to Hamlet church as Mr. Dowd's assistant.

This does not mean that Mr. Dowd severs his relation with the Hamlet church. It means simply that his ability has been recognized and when a man was needed to carry on the district work until the meeting of the annual conference in November he was chosen for the job. He will, of course, continue to live in Hamlet, but his new duties will take him away from home a great deal of the time, especially on Sundays.

Mr. Dowd's friends are glad that he has been accorded this recognition, at the same time regretting that he will be away so much. It is hoped that Mr. Read may soon be able to resume his work and permit Mr. Dowd to go back on his regular schedule as pastor of the Hamlet church. —News Messenger.

Farmers To Visit Tobacco Experiment Station

August 2 has been set as the day for the farmers of Edward Best High School district to visit the N. C. Tobacco Experiment Station at Oxford. This is the time for the annual field day at the experiment station and it was decided that, everything being considered, this would be the best time for the farmers of the Edward Best High School District to make the trip which they have been planning for some time.

Those making the trip are asked to meet at the Edward Best High School at seven on the morning of August 2. At this time a picture of the group will be taken and brief directions for the trip will be given. Those who own automobiles are asked to drive them to the high school building and the ones not needed for the trip can be parked in the school yard until the party returns. There are lots of good farmers who want to make the trip and who have no automobile. They say, "It's a long way to drive a mule." Special emphasis is laid on this part of the preparation for the trip—try to help your neighbors to go.

Dr. E. G. Moss has charge of the experimental work with tobacco. This is a splendid opportunity for a farmer to get first hand information about his problems in growing tobacco. Dr. Moss is recognized throughout the tobacco growing areas as being one of the world's leading authorities on tobacco growing.

"The Good Man and the Lucky Man" The above is the subject of the sermon to be preached by the pastor at Leah's Chapel Sunday, July 29, 11 a. m.

LITTLE JACQUELINE HOLMES DEAD

Little Jacqueline Grey, the two year old daughter of Mr. and Mrs. Russell L. Holmes, who had been suffering for several days with a complication of diseases died in Raleigh about 11 o'clock Sunday night and the remains brought to Louisburg on Monday.

The funeral was held at the home of its grandparents, Mr. and Mrs. J. R. Williams, at 5 o'clock Monday afternoon, conducted by Revs. Daniel Lane and John Archie McIver and the interment was made at Oaklawn Cemetery. A large number were present at both services and the floral tribute was especially large and pretentious. The pallbearers were Sidney Edens, Dutch Moseley, Herman Murphy and Spencer Matthews.

Little Jacqueline was an especially bright little girl and was loved by all. In her going the shadow of a little grave has fallen over a happy home, and, as mother has said, it is wonderful how long a shadow a little grave can throw.

This beautiful baby life was so precious, so fraught with blessings to her parents that she seemed a flower of paradise permitted to bloom for a brief season by their side, then recalled to its native skies, leaving the earth road for them lonely and dark.

The sympathies of the entire community goes out to the bereaved parents in their hour of sad bereavement.

W. C. Holmes, Jr., Dead

W. C. Holmes, Jr., 18 year old son of Mr. W. C. Holmes, died after an operation in a hospital in Raleigh about 4 o'clock Saturday morning. He had been sick only since Monday preceding his death. Besides his father, he leaves five sisters and one brother, Misses Aylea Bayne, Maggie, Nesbith, Ina and Swannie Holmes and Mr. Wiley Holmes.

The remains were brought to the home of his father Saturday and the funeral was held on Sunday afternoon at 4 o'clock from the home conducted by Revs. Daniel Lane and John Archie McIver and the interment was made at Oaklawn Cemetery. The attendance at both services was especially large and the floral tribute was profuse and spoke a beautiful message of love and esteem.

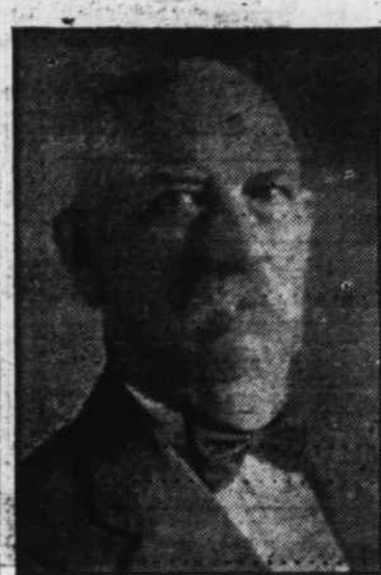

The pallbearers were as follows: Active—Joseph Wesson, Hugh Pearce, Charles Timberlake, John Strickland, J. S. Place, Terrell Kemp, Honorary—John Hedgepeth, J. O. Pearce, Phil Tomlinson, Elbert Cash, J. J. Place, George Wilson, R. L. Peoples.

It is sad to give up one whose influence among men would doubtless have been for good, who by precept and example was so well calculated to spread abroad the blessed influence of Godly living. Yet He who doeth all things well, makes no mistakes. The human link snapped asunder on earth is forged anew in heaven. The yearning parents mourn not as one without hope. It is true that when beautiful youth is gone not much life remains, hence the dear ones eyes are closed to all earthly trials. In his springtime of enthusiasm and tenderness, ere the sunshine of hope and joy was extinguished, he passed to the great beyond.

The bereaved family have the sincerest sympathy of the entire community in their sad bereavement.

JUNIOR ORDER DISTRICT MEETING

Held With Louisburg Council

Past State Councillor M. W. Lincke, State Chaplain R. Paul Caudle, and District Deputies J. I. White and C. E. Jeffreys Present

Louisburg Council Junior Order entertained the regular District meeting of the 20th District on last Monday night at which time many visitors were present to enjoy the evening.

Among the outstanding visitors present and speaking were Past State Councillor M. W. Lincke, of Nashville, State Chaplain, R. Paul Caudle, of Wake Forest, and District Deputies J. I. White, of Nashville and C. E. Jeffreys, of Youngsville.

Aside from the regular fraternal features of the meeting the question of raising an educational fund to assist a limited number of worthy daughters of Juniors of the twentieth district to complete a college course was discussed and approved and referred to a committee to be appointed by Deputy Jeffreys, with himself as chairman to work out the details and present to other councils for approval and participation. The idea originated in the Louisburg Council and was given over to the District because it was too large for one council. The chairman appointed on his committee that night the following gentlemen, with others to be named later: F. A. Roth, C. C. Hudson, S. C. Holden, E. L. Best, E. C. Crawford, E. H. Perkins, F. H. Hunter, F. L. Davis, E. G. Brewer, C. F. Tankersley, Jr., and F. M. Harward. The committee we understand will meet at Henderson on Wednesday night, August 1st, to work out the proposition so that it can be presented in some definite form.

Boys Return From Camp

Nineteen boys representing Bunn, Edward Best, Franklinton and Gold Sand High Schools, returned Saturday afternoon after a week's encampment at the Young Tar Heel Farmer Camp of North Carolina situated at White Lake. The week spent at the camp proved to be everything that the boys were expecting. Upon arriving, the boys carried their provisions for the week to the dining hall where the camp officials checked the articles of food. The Franklin county boys were then assigned to one of the camp houses which they soon felt belonged to them.

A daily schedule was followed, giving the campers plenty to occupy their time during the entire day. Each day was begun with setting up exercises on the athletic field followed by a short swim in the lake. Breakfast then occupied an important place. The boys were required to prepare their bunk houses for inspection each morning. An hour each day was devoted to work, such as cutting wood, improving camp grounds etc. The boys also took turns in helping prepare the meals.

The principal sources of amusement were horse shoe pitching, base ball playing, swimming, and boating. A great deal of time was devoted to contests in the above named sports, and the friendly rivalry among the different schools was well worth while. The boys from Franklin county made a very creditable showing in the various events, and proved to be good campers.

Visits were made to several resorts along the lake. One of these adventures ended in a pleasant afternoon. It was found that the club girls of Anson county were camping on the opposite side of the lake. Arrangements were made for a boat ride, and the Franklin county boys with as many girls and their chaperones enjoyed together several hours riding on one of the boats called The Lady of the Lake.

Friday night was stunt night. Each of the eight schools in the camp gave a short program. The entertainment furnished a great deal of laughter and fun. The judges decided in favor of the Edward Best High School as giving the best program.

Mr. T. E. Brown, State Director of Vocational Education, was present Friday night and gave a very timely talk. Meeting and associating with new boys, engaging in wholesome work and recreation, enjoying a good spirit of fellowship, and receiving boyhood impressions that will last are some of the values of such a camp as the Franklin county boys enjoyed.

The following from Franklin county attended: Bunn, George Fuller; Edward Best, Russell Gupton, Jack Ball, Kirkwood Dickens, Burt May, Wilson Edwards, George Earp, Theon Strickland, Harvey Parrish, Ollie Pennell, Everett Parker and John J. Wolfe; Franklinton, Roscoe Strickland, Festus Mitchiner, Milton Exum and Morris Conyers; Gold Sand, Fuller Parrish, Rufin Harper, Thomas Denton, Cleveland Aycock and Fred U. Wolfe.

The entire group was carried by Mr. W. P. Hayman, who added much to the pleasure of the Franklin county campers by giving them a watermelon cutting Friday night. Mr. Arthur Strickland with a number of relatives and friends paid a visit to the camp. James Hayes accompanied Mr. Hayman to bring the boys back home.
