Suffering With SICK HEADACHES

Mr. Charles F. Todd, of Estesburg near Waynesburg, Ky., says: "I was suffering with nervous headaches. About once a week I would have these headaches, and have to quit work, and go to bed for about twenty-four hours. I would have pains in my neck, and right behind my right ear. "A merchant at Estesburg told me to try taking Black-Draught, which I did. "It relieved me. From that time on, I would take Black-Draught as soon as I felt like I was going to have one of those headaches—and they wouldn't come on. "Every few weeks, I take three or four doses of Black-Draught, and I feel so well, and do my work, and don't lose any more time with headache. Get a package today."
