RELIEF that is REFRESHING

"We have used Theodford's Black-Draught for years in our family. I can highly recommend it for many ailments. We take it for colds and for constipation."

"I have four children, and I give it to them. When my little girl gets bilious, or complains of headache, I give her a treatment of Black-Draught, and she is all right in a day or two."

"Sometimes when I have indigestion from improper eating, I have headache. Then I take Black-Draught. I always feel fresh and have more energy after I have taken it."—Mrs. E. Reich, 2215 East First Street, Austin, Texas.
