Commencement Exercises Vacation Bible School

The commencement exercises for the Vacation Bible School held by the Lousburg Methodist church took place Sunday morning, June 15, in the Methodist church at eleven o'clock.

The primary and junior departments which are the only two departments included in the school this year, presented a very impressive playlet entitled "Learning to Live" which expressively revealed the principles that were stressed in the studies in the school. The program was opened by a hymn, "Living for Jesus", that was sung by the Junior department. Glen Beasley of the primary department related the well-known story of David and Goliath.

While the children who were to take part in the play were making the last preparations, Mr. E. L. Best, superintendent of the Vacation Bible School, explained to the audience the work of the Bible School whose motive was only the extension of the work of Sunday School and church at which time it took care of things the homes are probably neglecting.

The Bible School lasted from June 2 to June 13 and the work was supervised by an efficient corps of teachers who were Mrs. J. A. Hodges, Mrs. Cary Howard, Misses Louia Jarman, Ava Harris, Lucy Perry Burt, Beverly Pearce, Lydia Person, Doris Strange and Irene Parker. Miss Parker had charge of the music. Tariff Bill Finally Gets Through Congress

Washington, June 14.—The Smoot-Hawley tariff bill, with its increased duties on sugar, shoes, lumber, cement, brick and nearly 2,000,000 other products, has been passed by Congress.

It now awaits the approval of President Hoover, who is confidently expected to sign it within a few days. The new law will become effective at midnight following its signature by the President.

Legislative action on the measure was completed late today when the House adopted the final form of the conference report. The vote was 222 to 123.

The Senate finally approved the measure yesterday by the two-vote margin of 44 to 42.

The House margin of 69 votes was somewhat short of what the Republican leaders had expected. Mrs. Ruth Pratt, Republican, New York, surprised them by voting against the bill.

Upon announcing the vote, Speaker Longworth affixed his signature to the measure and arranged to send it to the Senate, so Vice-President Curtis may sign it and have it enrolled Monday.

The performance was accompanied by enthusiastic cheers and yells from the Republican side of the chamber, while the Democrats sat silent.

Vote For It

Many farm block leaders, including Chairman Haugen, of the agriculture committee and co-author of the defeated McNary-Haugen farm relief bill, voted for the tariff.

Twenty-one Republicans bolted the party leaders and voted against the bill. Fourteen Democrats, mostly from Florida and Louisiana, who left their party leadership and supported the measure, included:

Aswell, Louisiana; Drane, Florida; Green, Florida; Hudspeth, Texas; Kemp, Louisiana; Montet, Louisiana; O'Connor, Louisiana; Spearing, Louisiana; Wilson, Louisiana.

As soon as the massive document of 536 pages—longer than the average novel—is formally enrolled Monday, it will be forwarded to the President. He is expected to sign it by the end of next week, though he has ten days in which to act.

The bill is the highest tariff law ever proposed in the United States. Its sponsors say it will raise existing duties generally about six per cent, while its opponents contend the actual figure is nearer 20 per cent.

In dollars, advocates of the measure deduce that it will add \$107,000,000 to the tariff duties and make the total around \$630,000,000 on the basis of imports in 1928. Democrats assert the cost of the measure will ultimately be a billion dollars when the increased cost of domestic products is considered. They call the measure "The Grundy billion dollar tariff bill."

The central points of dispute in the bill were the increases granted on sugar, shoes, hides, lumber, cement and brick.

The Cuban sugar duty is boosted from 1.76 cents a pound to 2 cents; shoes were taken from the free list and given a duty of 20 per cent, the related hides duty being fixed at 1 per cent.

Lumber, cement and brick also were removed from the free list and subjected to the following duties: cement, six cents per 100 pounds; brick, \$1.25 per thousand; soft lumber, \$1 per 1,000 feet.

The agricultural schedule carries the greatest percentage of increases. The measure was originally designed to benefit the farmer and little protest was offered, except by Eastern Congressmen, to the enlargement of tariffs on farm products.

Farm Schedules

Some of the most important schedules affecting agriculture are: Butter, now 8 cents per pound, would be 14 cents; cattle, now 1 1/2 and 2 cents per pound, would be 2 1/2 and 3 cents; wool, now 31 cents, would be 34 cents; hides, now free, would be 10 per cent.

Later—the new tariff became law at midnight Tuesday night.

STORES ROBBED

Four Stores Robbed and Automobile Stolen

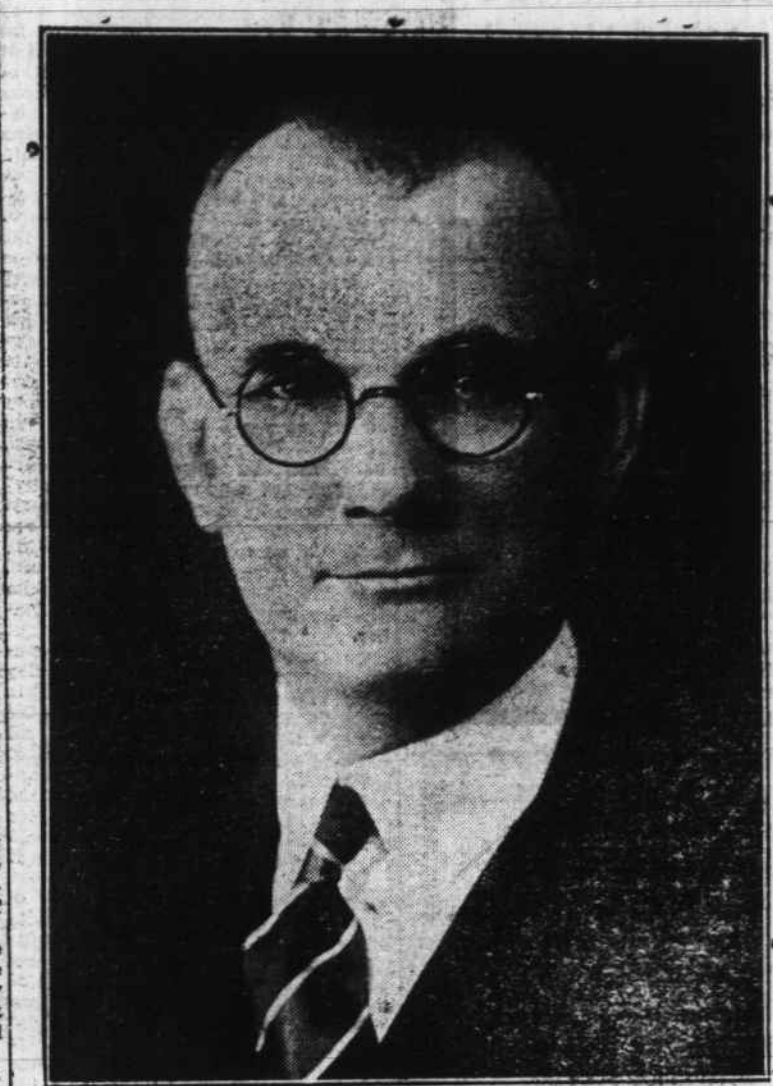

Sometime Wednesday night a wholesale robbery of stores was perpetrated in Franklinton when T. H. Allen's blacksmith shop, D. C. Hick's store, Daniel's market, the Red Front Store and Henderson's Pharmacy were entered, and an attempt made to gain entrance to Pender's store.

From Allen's shop tools were taken that were used in making entrances. From the other places, large quantities of cigarettes, chewing gum and other small articles were taken.

At the same time, Mr. E. J. Cheatham's garage was entered and his Ford sedan stolen and used to haul the loot away.

The sedan and a small quantity of the cigarettes were found just beyond Cedar Creek on the Creedmore road, where the car had been abandoned after being rendered useless.

Bloodhounds were brought here from Lousburg and put on the trail, but little could be done by them owing to the fact that an automobile was used.—Franklinton News.

MR. GREEN, TOWN CLERK, TAKES LEAVE

Mr. A. W. Green, Clerk for the town of Lousburg, left Lousburg Saturday night without informing his family or friends of his destination. His leaving was not learned by the public until Monday when it was stated that he had left a note saying he would write later. His closer friends are anxious about him, as his duties had brought him near a nervous break down, it is said.

Before his leaving, and to assist in the adjustment of some matters with the Farmers & Merchants Bank, which is in process of liquidation, the town had secured the services of an expert auditor, who arrived Monday. The checking, up to going to press Thursday, so far as learned leaves no reflection upon Mr. Green and it is generally believed that none will be found. His friends are at a loss to account for his leaving as he did.
