## GAVE HER SURPRISE OF LIFE, SHE STATES

"I took nearly every medicine recommended for my troubles but nothing did me any real good until I took Sargon, and it gave me the surprise

MRS. R. W. ALBERT

of my life. I could hardly retain food, my liver was disordered, I was dreadfully constipated and suffered with sick headaches. I had lost so much weight and strength that I hadn't the energy or life to do anything. Sargon gave me a splendid appetite and my digestion is perfect. I never have headaches, I'm fast regaining my lost weight and have just lots of new strength and energy.

"Sargon Pills relieved me of constipation, cleansed my system of poisons and left me feeling toned up instead of causing that weak, let-down feeling produced by the usual laxatives." —Mrs. R. W. Albert, 1802 Blanding St., Columbia, S. C. Scoggin's Drug Store, Agents.—Adv.

### MR. PURNELL WRITES ABOUT THE PRIMARY

Franklinton, June 16.—All I know about the recent primary is what I see in the papers, as Will Rogers would say, and by them I notice that I was defeated for the Recorder's court judgeship. I believe I wrote it with capital "J" before the primary, but now the job is not so important. I have one consolation, Mr. Editor, and that is I ran better in the county than Mr. Estep did in the state even though he is "wet". So after all there are certain degrees in defeat that one can find solace in as well as in victory.

Then too, I have no regrets to bother my conscience and no hard unkind remarks to wish I had left unsaid, for I didn't make any, nor do I think either one of my opponents is guilty. The three Jims put on a pretty decent campaign. They beat me fairly and I have no hard feeling against them, nor against any one who voted for them. All I have to say is that I hope the best man wins in the next primary. I told the voters the same thing on the two days trip I made through our fine county. Of course I know Jim Purnell would make a better judge than either Jim Palmer or Jim Malone, but since the free and entrained voters of this county commonwealth did not think so they did right in voting for them. But no matter which one of those two fellows is elected, if he does not make the best judge possible, I hope that some good fellow will lick the stuffin' out of him two years hence. Take warning, Jim.

In all seriousness I do want to thank those 554 voters who cast a ballot for me in the primary for their confidence and good wishes. I wish I knew their names. I'd write to them personally. I hated like oil' scratch to get licked, but it is alright now and I went about my business the next Monday morning just "Singing in the Rain" as if I had won a victory. J. O. PURNELL.

Black Walnut trees planted by 4-H club members in McDowell County last fall are nearly all living and growing nicely.

M. S. Rudisill of Crouse, Lincoln County, estimates his 35 acres of wheat will yield 1,000 bushels of quality grain.

## Wisconsin Woman Lost 11 lbs.

"Have been taking Kruschen Salts for fat reduction—am on my second bottle—I lost 11 pounds in six weeks and feel fine—Kruschen sure gives you a lot of vim and pep." Kruschen Salts are used daily by millions all over the world not only to take off fat from overweight people but to rejuvenate the entire system.

One bottle of Kruschen Salts (lasts 4 weeks) costs but 55c and one bottle will prove of vast benefit to people who have constipation, headaches, indigestion, nervousness, rheumatism, depression, acidity and auto-intoxication.

Not only that but one bottle will bring about body activity—increased energy, vigor and ambition, sparkling eyes and freedom from pimples and blemishes—millions know all this—you ought to know it. Take one half teaspoon in a glass of hot water every morning before breakfast—walk a little each day—out down on sweets and fat forming foods.

### OUR RALEIGH LETTER

By M. L. Shipman

Raleigh, June 23.—Not since Furnifold M. Simmons wrested the United States Senatorship from Marion Butler nearly thirty years ago have the Republicans of North Carolina, until this year, felt the slightest encouragement to nominate a candidate for that office. Now, the stage is set for, what they consider, a worth-while tussle for that exalted position and the son of a fusion Senator will battle with Josiah W. Bailey, the Democratic nominee, for the senate seat occupied by Mr. Simmons for "nigh on" to thirty years. Senator Jeter C. Pritchard, father of the Republican nominee for Senator this year, was accounted the most popular Republican in the State during the fusion regime. He succeeded Senator Thos. J. Jarvis, who held the office by appointment during the brief period following the death of Senator Zebulon B. Vance. That was "way back in 1898. Eight years later Lee S. Overman, Salisbury attorney and Democrat, came along and walked away with the honor and Senator Pritchard became a Federal judge by appointment of President McKinley. In those days the Pritchard name was a political asset. But the old guard has passed from the scene and conditions are not what they once were. Son George is acclaimed a nice, clever boy, but this does not assure success for a Republican candidate in North Carolina today. Here is the vote in the recent primary: Josiah W. Bailey, 200,242; George M. Pritchard, 198,000.

### Over a Billion Deadly Germs in a Single Drop of Water

Germs are so small that there may be as many as one billion, seven hundred million of them in a drop of water. And just a few of these tiny germs, if they get into your blood through a cut in your skin, may make you so sick you will be in bed for weeks—may cause the loss of a limb through blood poisoning—may even infect you with that most dreadful and fatal of diseases, lockjaw.

Just because you can see no dirt in a cut does not mean that it is clean. You cannot see germs. The only safe and sane thing to do, is to thoroughly wash every cut, no matter how small, with Liquid Borosone, to kill the germs, and then dust it with Borosone Powder, to hasten the healing. Liquid Borosone costs 30 cents, 60 cents, \$1.20 and \$1.50; Borosone Powder, 30 cents and 60 cents; and can be had at F. R. Pleasants, Druggist.—Adv.

Limestone under wheat last fall increased the yield by one-third according to W. P. Aldridge of Caswell County.
