BAYER ASPIRIN

TO THE VOTERS OF FRANKLIN COUNTY

I take this method of expressing my appreciation of the support the voters of Franklin County gave me in the Primary of June 7th, and while I did not get enough votes to win, I want to assure all who attended the Primary, whether they voted for me or the other fellow, that I have nothing but the kindest feelings for every voter, and during the campaign I said nothing, neither did I do anything, that will keep me awake at night, and just here I am reminded of the man that was in the death cell in January, awaiting electrocution next morning at ten o'clock. The Warden of the Prison told him he could have anything for breakfast that he might order. The condemned man said he would like water-melon. The Warden replied, "You know I can't get water-melon in January," and the poor fellow replied quickly and fervently, "Well Warden, I can wait."

Sunday School Lesson

International Sunday School Lesson for July 4 ABRAHAM—A PIONEER OF FAITH

Genesis 12:1-5; 13:1-13; 17:1-8; 18:22-33; Hebrews 11:8-10. Rev. Samuel D. Price, D.D.

Variety will be found in the Sunday School lessons for the coming six months. "Representative Men and Women of the Bible" is the general title, and three months will first be given to outstanding characters in the Old Testament.

Terah, the father of Abram, lived in Ur of the Chaldees, near the head of the Persian Gulf. It was a place of nature worship and Terah is named in Joshua 24:2 as one who "served other gods."

Read from Genesis 12 to 25 for the many fascinating details that are recorded. Both sins and mistakes are indicated, but this man of God was always ready to repent and turn back to God for forgiveness and further guidance.

Intercessory prayer is a feature in the life of Abraham, as was shown when the Angel of Jehovah revealed that Sodom was about to be overthrown. Then Abraham gave himself unto prayer for the city and was able to have the terms of deliverance greatly lowered.

and he went out, not knowing whither he went." Hebrews 11:8.

HOME DEMONSTRATION DEPT.

DAISY CALDWELL, Agent

There are no regular club meetings this week as it is the week following the fifth Sunday.

The home agent returned Saturday from her vacation. An effort is being made to build a permanent 4-H club camp at White Lake similar to the one owned by the Young Tar Heel Farmers there.

Rodger Mitchell of Epsom will drive his new Chevrolet truck to take the club girls to camp. Epsom girls will please begin to load early so the truck can be in Louisburg by half past six Tuesday morning. It will leave Louisburg at seven and pick up girls at Banks Store and at the filling station on the highway at Youngsville. Thirty-two girls and camp leaders are expecting to go.

There will be another water in the kitchen demonstration sometime the latter part of this month given by D. S. Weaver at Wood. Watch for the date.

A Broadside against disease due to undernourishment was recently issued by the Carolina Council at Wilmington. We quote from it as follows:

"Place a bird dog and a man on a farm, feed them on flour bread, pork and potatoes—no greens, no milk. Soon the dog develops diarrhea. The dog will do what he has never done before, that is suck eggs by day and chase rabbits by night. The man says, 'The dog naturally knows. Take the man however, who has a headache or faintness from this unbalanced ration, he attempts to balance his account with nature with counterfeit money—a narcotic or drug from childhood he has been taught to rely upon medicine. Stimulants are his heritage. The drug store is his club. He doubles his coffee, tobacco, Aspirin or whiskey, all of which stimulants may be good as a temporary bridge, but as a substitute for food or as a means of dulling the senses for food, become a broad highway which leads to the hospital or asylum, unless the victim dies by the way. Which is wiser the man or the dog?"

BIRTHDAY PARTY

Mr. and Mrs. Lee Burnette entertained a number of friends at a party honoring the sixteenth birthday of their son Edward, on June 25, at eight-thirty. Music and games furnished exceedingly pleasant entertainment during the evening.

In the attractively decorated dining room a delicious ice course and cake was served by the hostess. This was followed by the serving of minis which were also served occasionally throughout the evening.

The guests who spent a most delightful evening of merriment and fun were: Misses Doris Beddingfield, Esther Bailey, Alice and Delta Allen, Nell and Ava Joyner, and Messrs Bruce Tharrington, Dick Gupton, Nancy and Clifford Joyner, Perry Conn and Linwood Burnette.

RESOLUTIONS FOR MRS. R. H. DAVIS

The following minutes prepared by a committee appointed for the purpose has been spread upon the records of the Woman's Auxiliary of St. Paul's, Louisburg, N. C.

The Woman's Auxiliary of St. Paul's Episcopal Church, Louisburg, N. C. is bereaved by the loss of one of its most faithful members, Mrs. R. H. Davis who died suddenly in Wilmington on June 11th, 1930 while on a visit to relatives.

We, who were privileged to serve with her, have suffered the loss of a dear companion and co-worker.

She was ever loyal to her church and its welfare was her first consideration.

We desire to convey to her husband our deepest and tenderest sympathy, trusting that through the mercy of our Heavenly Father, he may be sustained and comforted.

MRS. M. S. CLIFTON, MRS. S. P. BODDIE, MRS. R. W. SMITHWICK, Committee.
