A Colorado Congressman is coming to North Carolina to get a wife. An evidence of good judgment.

The Buying Power of the Dollar 'Growing' is a headline. What the people are mostly interested in is how to get the dollar.

W. C. T. U. is out for film censorship as well as a fight on prohibition. Another bunch who wish to circumscribe every-body's ideas.

Federal Judge I. M. Meekins in a decision Tuesday again denied the lawyers the \$75,000 Co-op fees. This will be good news to the many members of the old Tobacco Association.

Information from Washington states that twenty-one states lose 27 representatives by the last census while eleven states gain an equal number. North Carolina is given one extra representative in Congress.

It seems the prohibition enforcement bureau of the national government will ask for \$17,400,000, to carry on the work of law enforcement next year. This amount ought to go a long way towards furnishing jobs for the jobless.

About the best news we have heard recently was that representatives of the State Highway Association were in Louisburg, Wednesday, making investigations in connection with the possibility of the State taking over all the county roads for maintenance.

Win a Cash Prize

Mrs. R. F. Yarbrough, chairman of the Christmas Seal Sale Campaign for Franklin County is offering again this year fifteen dollars in cash in prize for the sale of these seals. The first will be \$10 given to the school in the County selling the largest number of seals.

SOCCER TOURNAMENT

The Athletic Association of Louisburg College, under the supervision of Miss Olga Johnston, is having a Soccer tournament between the Seniors and the Business Class on Friday, November 21st, at 4:30 o'clock. The public is cordially invited.

MAKES SPLENDID RUN

Deputy Sheriff W. N. Fuller, also a member of the Louisburg Fire Department made a record run Saturday when he discovered F. N. Spivey's peanut machine located on the corner of Main and Nash Streets on fire. Going to the fire house and getting an extinguisher and returning in record time. When he returned with the extinguisher assisted by Paul Beasley, the fire had been put out, and the alarm was sounded. No special damage was done.

YOUNGVILLE P. T. A.

One week later than the usual meeting date, the Youngville Parent-Teacher's Association held its regular meeting in the school auditorium, Tuesday afternoon, November 11th. Mr. Braswell read the scripture and led in prayer. After the reading of the minutes and the roll call by Mrs. Tharrington, Mrs. Carter, the president, not only invited all visitors to join but insisted on a larger membership. Various committees reported including the finance committee that reported a realization of \$16.70 from the Halloween Party given Oct. 31.

Have headache, astringents for cuts, and a set of scales for checking up on weights of undernourished children. The teacher will then be better enabled to put their health teaching into practice.

The committee composed of principal, Mr. Carter and Mrs. Cheatham was authorized to purchase enough wire for the erection of a fence between the school ground and highway. Small children are often tempted to run across the highway for foul balls. The Ass'n. also ordered the payment of \$15.00 on the supplementary readers.

At the close of the program a poem was read on Thanksgiving. Reported.

Mitchiner's Club was entertained by Mrs. Lula Cherry and Miss Smith at Seven Oaks Farm at the regular monthly meeting Thursday, with fifteen members present. Questions on household textiles brought up some interesting discussion.

Twenty-six members were present at Bunn Club meeting Friday. One new member, Mrs. W. M. Perry, was enrolled. A financial report was made by the treasurer and other business transacted.

whole system was out of order. I was habitually constipated and my nerves were almost worn 'ragged'. Sargon brought a wonderful change to me. I'm not nervous like I was. I sleep fine and am rested and full of life when I get up mornings. My appetite is wonderful and I've gained five pounds.
