EPSON SCHOOL NEWS

The caste is being selected for a play entitled "Backbone", which is to be given sometime before Christmas.

The Singing Class from Oxford Orphanage will give an entertainment at Epson High School on Wednesday night, November 26th. The needs of the Orphanage are great and the cause a worthy one, so let us try to give them a large audience.

Woodward Science Club
 The Woodward Science Club held its regular meeting November 7, 1930, and a very interesting program was rendered on the subject of "Paper Making". We were very much enlightened on this subject, by the good reports that were given.

O'Henry Literary Society
 (Helen G. Kearney '33)
 Armistice Day was observed by the O'Henry Society, and the following program was given:

Song.
 In Flanders' Field—Alice C. Smith.
 America's Answer—Grace Ayscue.
 Why we should honor the soldiers who fought in the World War—Singleton Pace.

Contribution of "The Red Cross" during the World War—Ruth Journegan.
 Why the world should honor the mothers who sacrificed their sons—Estelle Stokes.

Song.
 We were especially glad to have Prof. G. E. Crawley as a visitor, and appreciate his complimentary remarks concerning the program.

B Sharp Club
 (Helen G. Kearney '33)

The "B Sharp Club" organized last session by the music pupils, proved to be instructive as well as entertaining, so we have reorganized and elected officers for the year. We miss several of the older girls who are no longer with us, but those who are stepping up to take their places are endeavoring to make the meetings worth while.

"The Etude" furnishes the material for our programs, and a study of the biographies of famous composers makes their work more interesting.

Our music class is smaller than usual, but we are striving to show real improvement. Our teacher may have a different opinion about the efforts we are putting forth.

Sidney Lanier Literary Society

The Sidney Lanier Society held its regular meeting November 14, 1930 at which time a very interesting program was rendered. The subject for the day was "Education". We were very glad to have with us Mr. Woodward, who made a very interesting talk.

CARD OF THANKS

We wish to extend to all those who rendered us many untold kindnesses during the recent illness and death of our father our most sincere appreciation and thanks. These kindnesses and the sympathy shown his will forever be remembered.

(An Unpleasant Subject)

All of the functions of life are not pleasant to consider. Perhaps this is why some mothers refuse to think that such symptoms as restless sleep, loss of flesh, lack of appetite or itching nose and sneezing in their children, can be caused by round or pin worms. Many mothers have proven, however, that a few doses of White's Cream Vermifuge, that sure and harmless worm expellant, will make these symptoms disappear. You can get White's Cream Vermifuge for 25 cents per bottle from P. R. Pleasant. Adv.
