Diseases

Adults can, and do, contract many children's diseases. And, usually, they suffer from them much more than children do. For instance, many adults contract worms, an ailment usually associated with children. Sometimes they suffer intensely and take expensive medical treatments, without realizing that worms are the cause of their troubles. Yet, the symptoms are the same as in children, loss of appetite and weight, grinding the teeth and rest-less sleep, itching of the nose and annu, and abdominal pains. And, the same medicine that surely and harmlessly expels round and pin worms from children will do the same for adults — White's Cream Vermifuge, which you can get at R. Pleasants.

#### JUSTICE NEWS

The Justice community choral club had its first meeting Friday night, Nov. 21, with a good live crowd in at. tendance. Everyone present seemed so greatly interested that it was decided that the club meet every Friday night, instead of every other Friday night in the month as was first sug-gested. The meetings are at 7 o'clock.

The Thanksgiving dinner served by the P. T. A. of the Justice school on Wednesday night Nov. 26, at the school was a great success in spite of the extremely cold weather. Many parents were out with their families to partake of the extra fine dinner and to enjoy the entertaining Thanksgiving program that was rendered by members of the grammar grades.

#### IN MEMORY

Uriel Jerome Radford was born July 21, 1928 and died Nov. 13, 1930. This little life was full of love 1930. This little life was full of love for every body. He was so brave he dared nothing that confronted him. Thoughts of helping Daddy and Mother were always in his darliag mind. Always so true to obey with a smile on his face. He never met a stranger and loved to go to Church as well as a graymann

a stranger and loved to go to Church as well as a grown-up.

How much I miss him no words can ever tell. I shall never be as happy again with out Uriel Jerome. It breaks my heart to think how he lay and suffered so intensely for some 18 hours with Membraneous Croup. Rev. G. W. May conducted a very beautiful and fitting sermon at the child's grandmother's homewhere he was laid to rest beneath a mount of most beautiful flowers with his grandfather who preceded him to the grave about 10 months ago. He leaves to mourn their loss Mother, Baddy, one little sister, Flora Perry Raeford besides a host of relatives and friends.

His broken-hearted mother, MRS. GRAHAM RADFORD.

PLAT ROCK B. Y. P. U.
