THE NEW CHEVROLET SIX

Strikingly beautiful, fleet and smart
—a masterpiece of Fisher styling

Never has the superiority of Body by Fisher been more strikingly exemplified than in the Bigger and Better Chevrolet Six! With the added advantage of a lengthened wheelbase, Fisher designers have achieved in the new Chevrolet an impressive degree of smartness, comfort and luxury.

Inside and out, scores of refinements stamp this car as a masterpiece of modern coachwork. Radiator, headlamps and tie-bar form an unusually attractive and distinctive ensemble. Mouldings sweep back in an unbroken line to blend with the smart new body contours. And new color combinations lend a new individual-

ity. Interiors, too, are exceptional. The new mohair and broadcloth upholstery is smartly tailored. Seats are wider and more luxuriously cushioned. A deeper windshield and wider windows give better vision. And beautiful new modern fittings lend a final note of charm.

Many mechanical improvements are also evident in this Bigger and Better Six. Among these are a stronger frame; easier steering; a more durable clutch; a quieter, smoother transmission; and important engine refinements.

The Bigger and Better Chevrolet Six is now on display. See it today—drive it! It is the Great American Value!
