

### C. M. T. C. Quota Unfilled

With the enrollment campaign of the 1935 Citizens' Military Training Camp now entering its final stage, the Franklin County quota to attend the camp remains unfilled, according to information received yesterday from Fort Bragg.

Due to increased appropriations, the size of the camp is more than doubled this year, allowing Franklin County a quota of 6, for which places no applications have been submitted.

Young men of this community who are interested in attending the camp must make application prior to July 1st in order to receive consideration. It was stated after that date vacancies remaining in the local quota will be filled by surplus applicants from other counties.

The camp is to be held at Fort Bragg from August 5th to September 3rd, and no future obligations of any kind are imposed. The purpose of these camps is to promote good citizenship among young men between 17 and 24 years of age by thirty days' military training combined with generous amounts of recreation and sport.

Dr. Harry H. Johnson, Louisburg, N. C., is county chairman of the committee which is assisting young men to qualify for camp; and Doctor Johnson has also volunteered to give the required physical examination.

Persons interested should communicate with the county chairman or write to the C. M. T. C. Officer, Fort Bragg, N. C.

### TEMPERANCE RALLY AT DUKE MEMORIAL BAPTIST CHURCH

Justice—Rev. J. M. Page, of Raleigh, delivered a very effective sermon here Sunday, June 2nd, on the present temperance situation in Franklin County.

He defined temperance as the total abstinence from the beverage use of alcohol. He then called upon the people of Franklin County to defend the efforts of certain wet politicians to put the tax payer in the liquor business.

He said that the pending so called "control" bill would not control, but would increase the amount of liquor consumed in the county, that if the scheme succeeded as a reverse measure it would have to build up customers who do not drink now, as the bootlegger will continue their trade. "It will not destroy bootlegging," he declared, "but it will simply add legal to illegal liquors!"

He told the people that they were asked to vote for a pig in the bag, since they do not know who this liquor board is to be. He said that if you are thinking of voting for their bill, you should demand that the commissioners name the men who are to have power to call on the county treasury for large sums of money that the tax payers must furnish. He said that this bill did not come from the friends of temperance, but from wet politicians. The preachers, college presidents, etc., are against it, which will you follow?

The best argument that the wets have is: it will bring in more tax collections. The best argument against this liquor bill is "life, clean life for our youth!" Money is important, but without life money is useless.

Mrs. E. J. Wheless and J. C. Hunn.

### FULLER-PICKLER

Richfield, June 9.—In a ceremony at high noon, Miss Beatrice Napier Pickler of Richfield and David Thomas Fuller of Louisburg were married today at the Richfield Baptist church. The pastor of the bride, Rev. T. Walker Fogleman, performed the ceremony.

The bridal chorus from "Lohengrin" and Mendelssohn's "Wedding March" were used as the processional and recessional, respectively. A selection by Weidt was played by Mrs. Harry S. Leaf while the vows were spoken. Prior to the ceremony, Miss Dora Mae Pickler, sister of the bride, sang, "I Love You Truly" by Carrie Jacobs Bond.

The bride and groom entered together, unattended. She wore a navy blue crepe Elizabeth suit with harmonizing accessories, and a shoulder corsage of Dorothy Perkins roses and lilies of the valley. The ushers were Charles Pickler, brother of the bride, and George Fuller, brother of the bridegroom.

Immediately after the ceremony, the parents of the bride entertained the out-of-town guests at their home at a two-course luncheon.

Mrs. Fuller is the daughter of Mr. and Mrs. W. T. Pickler of Richfield. She is a graduate of Wingate College and has studied at the University of North Carolina. She taught formerly in the public schools of Stanley County but has been connected with the social welfare departments in Stanley and Cumberland Counties for the past two years.

Mr. Fuller is the son of Mrs. Annie E. Fuller and the late David Thomas Fuller of Louisburg. He was graduated from Wake Forest College, being a member of the class of 1931. For the past few years he has been a member of the faculty of Edward Best High School in Franklin County.

Mr. and Mrs. Fuller will be at home near Louisburg after a short

### Alumni Head

JAMES M. GRAY

College Station, Raleigh, June 10.—James M. Gray of Raleigh, state manager for the Chilean Nitrate of Soda Educational Bureau, was this morning unanimously elected president of the general alumni association at the annual business meeting held in the Y. M. C. A. auditorium on the campus.

Mr. Gray is a native of Franklin, Macon County, and was graduated from State College with the B. S. degree in agriculture in 1910. While attending college he was an honor student and a member of the Alpha Zeta, honorary agricultural fraternity. Following a year of teaching at Brevard Institute, he returned to Raleigh as assistant director of farmers' institutes under the late T. B. Parker. He then taught agriculture at the Lowes Grove Farm Life School and resigned that position to become county agent of Durham County.

Following county agent service for Durham and Gaston counties, he was promoted to be district farm agent in charge of the western counties where he served for five years when he was promoted to be assistant director of Extension at State College. He held this position for eight years when he resigned to take his present position with the Chilean Nitrate organization.

Mr. Gray has been a member of the executive committee of the general alumni association for the past six years, serving as chairman for the past two. He also has been a member of the Alumni Committee on consolidation of the Greater University and on the legislative committee of his association. Mr. Gray assumes the presidency of the general alumni association at once, succeeding W. H. Sullivan of Greensboro who has held the position the past two years. Mr. Gray is the second agricultural graduate in recent years to hold this honored position.

### Renewed Interest

Dearborn, Mich., June 10.—Reflecting what appears to be a renewed interest among industrial and mercantile businesses in capital investment in (motor transportation, truck and commercial car retail sales by Ford Motor Company dealers in the first four months of the year were reported today to be the largest in volume since 1926.

Sales of both trucks and commercial car units during the first four months were approximately 85 per cent greater than in the same period of 1934.

Truck sales in the first four months totalled 42,380 units, as compared with 23,910 units in the same period of 1934, an increase of more than 84 per cent. Commercial car sales in the same period totalled 30,889 as compared with parallel months last year, a gain of 86 per cent. Total sales of both trucks and commercial cars were 73,269 units as against 39,485 in the same period last year.

Ford truck and commercial car sales in April were 20,102, the largest month's volume to be recorded in recent years.

trip to the Western part of the State.

### DO YOUR FEET FEEL ON FIRE?

Do they ache and burn? Perspire excessively? Toes cracked? Go right now to your druggist or department store and get a can of Zeeta, the antiseptic deodorant powder.

Rub it on your feet and shake it into your shoes. Then take out your watch. If in 3 minutes you aren't jumping for joy at the soothing, cooling, healing relief, go back to your druggist and he will give you your money back.

But be sure you ask for and get Zeeta. There's nothing that works so sure, so fast—and it's recommended by doctors, chiropodists, druggists everywhere for tormented, perspiring feet, water blisters, also for chafing and sunburns.

### "Girl From 10th Avenue"

Will Be At Louisburg Theatre Monday, June 17th.

"The Girl From 10th Avenue," a First National picture with Bette Davis in the stellar role, comes to Louisburg Theatre Monday, June 17th.

Miss Davis' part is far more sympathetic than the one she played in "Of Human Bondage," but it is anything but a sweet girly role. She portrays a 10th Avenue shop girl who marries a drunken society man following a champagne party. He had gone to the dogs when jilted by a gold digger. Bette makes a man of him and is smart enough to separate him from the woman he formerly loved, and who had married a rich relic for his money, thinking that she could continue to flirt with the man of her choice.

The picture is a tense drama with some rare touches of humor. It has an all star cast to support Miss Davis, including Ian Hunter, who plays opposite Bette and Colin Clive, long known on both stage and screen.

Others in the cast are Allison Skipworth, John Eldredge, Phillip Reed, Katherine Alexander, Helen Jerome Eddy, Gordon Elliott, Adrian Rosley, Andre Cheron and Edward McWade. Alfred E. Green directed.

### HEALTH DEPARTMENT

Report of Health Department for May 1935, Vital Statistics

### Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Cora Saners, of Paragould, Ark. "I was all un-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon was all right. The shaking quit and I did not cramp. I felt worlds better. I gave Cardui to my daughter who was in about the same condition and she was soon all right. Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician."

### SPRING is now HERE

sanitary privies constructed. NOTICE Light plant and water pump service by a good mechanic. Am going to continue my husband's business. Will appreciate your patronage. Mrs. Dave Watkins, 719 N. Church St. Rocky Mount, N. C. Phone 250. 6-7-3t

### BARI-CIDE

Kills Chewing Insects such as the Mexican Bean Beetle, Cucumber Beetle, Potato Beetle. Does Not Contain Lead, Arsenic or Fluorine. Harmless to Bean Foliage or that of other Crops on which we recommend its use. At your Dealer's JOB P. WYATT & SONS CO., Distributors RALEIGH, N. C.

Both these plots of tobacco received complete fertilizer of exactly the same analysis. The difference is this! The mixture used at the left was made from old style natural materials; at the right, from pure materials.

### LOOK...COMPARE Camera sees all...tells all ...better than words

This season more crops than for many a year will be side-dressed with Natural Chilean Soda. It came from the ground; now it's going back to the ground to give health and vigor to your crops.

Once we believed crops needed only phosphate, potash and nitrogen. Now we know they require many other elements. Once we thought of the old-time natural fertilizers only as sources of phosphate, potash and nitrogen. Now we know they contain other equally necessary elements.

All these years we have been following Nature's laws—and only realized what that meant after trying substitute materials. There was a difference. Crops showed it.

Chilean Natural Nitrate—the only nitrogen that comes from the ground—the ideal side dresser for your crops. I've got those natural IMPURITIES! So have I!

### RHEUMATISM

RELIEVE PAIN IN 5 MINUTES To relieve the torturing pain of Rheumatism, Neuritis, Neuralgia or Lumbago, in 5 minutes, get the Doctor's Prescription NURITO. Absolutely safe. No opiates, no narcotics.
