

Epsom School Opens Thursday Morning Sept. 1

The Epsom School will begin the 1938-39 session Thursday morning, September 1st, at 9:00 o'clock.

The system for handling books will be the same as last year. In the elementary school the basal or adopted books will be free. The supplementary readers will be rented at school, or may be purchased in Louisburg.

The faculty: 1st grade, Miss Jane Stewart; 1st and 2nd grade, Miss Dorothy Black; 2nd grade, Miss Helen Hicks; 3rd grade, Mrs. Della M. Lee; 4th grade, Mrs. Agnes H. Fussell; 4th and 5th grades, Miss Nancye Thomas; 5th grade, Miss Lucy Wilson; 6th grade, Miss Selma Mullen; 7th grade, Miss Mattie McGinnis. High School teachers: English and French, Mrs. J. G. Phillips; Librarian and History, Mrs. Jewel C. Bartholomew; Home Economics, Miss Helen Daugherty; Agriculture, Mr. C. E. Callibon; Science, Mr. William A. Morgan; Music, Miss Anne Elizabeth Wortham; Mathematics, C. P. Rogers.

HONORS LITTLE GIRL

The following letter from Mr. R. E. Miller, former Supervisor of Edward Best High School, with reference to the fine record of his little daughter, will be read with much interest by people of Franklin County:

"My little five year old daughter, Vivian Blanche, while attending kindergarten at Lincoln Demonstration School at Columbia University, New York, this summer, was chosen by the editor of 'The March of Time' news reel to appear in the August release of March of Time. The subject of the picture pertains to highway safety. The part my little daughter appears in has to do with the teaching of small children the importance of learning traffic signals and the duties of traffic policemen. She along with other children play with toy traffic policemen in a miniature city. She appears only for a short time but the pictures of her are very plain. You can imagine we were quite thrilled a few days ago, when we went to Radio City Music Hall, to see our daughter's picture flashed before us on the world's largest screen.

"We have attended Columbia University Summer Session again this summer, where I had the honor of being President of the North Carolina State Club there, for this year. We shall return to Beaufort the latter part of this week."

Nearly 1,700 pullets in Tyrrell County were vaccinated against chicken pox last month.

In bridge some players are great for starting something they cannot finesse.

HELP KIDNEYS

To Get Rid of Acid and Poisonous Waste Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get clogged, your blood becomes impure, there may be poisoning of the whole system and resulting weakness or too frequent urination may be a warning of some kidney or bladder disease.

DOANS PILLS

King Carl Through For Season

HUBBELL... Giants

Memphis, Tenn., Aug. 23.—King Carl Hubbell, the greatest southpaw in baseball, lay on his hospital bed tonight, reconciled that he will not return to duty with the New York Giants this season.

"I don't see how I can do it," said King Carl as he looked upon the great left arm swathed in bandages and braced by splints.

"Seems risky business to me, to try and get into shape for only a couple of games, now. I'm going home soon as the doctor will let me."

Hubbell recovered from the effects of the general anesthetic rapidly during the day although his arm pained him at intervals.

He said Mrs. Hubbell and his three-year-old son had already departed from New York for the Hubbell farm near Meeker, Okla.

Dr. J. Spencer Speed, orthopedist who removed a bone chip from his left elbow, has told him it would be two weeks before the splints would be taken from his arm.

Recent heavy rains damaged the Martin County tobacco crop considerably.

CIVIL SERVICE EXAMINATIONS ANNOUNCED

The United States Civil Service Commission has announced open competitive examinations for the positions named below:

Mineral Economist (Nonferrous Secondary Metals), \$3,500 a year. Bureau of Mines. College training, with major study in metallurgical engineering, mining engineering, or metallurgy, and professional experience in the recovery of metals from nonferrous scrap, are required. Applicants must not have passed their fifty-third birthday.

Associate Warehouse Examiner, \$3,200 a year, Assistant Warehouse Examiner, \$2,600 a year. Bureau of Agricultural Economics. Optional subjects are: Bulk grain warehouses; canned fruits and vegetables warehouses; cotton warehouses; sack grain warehouses. For the associate grade, applicants must not have passed their forty-fifth birthday, and for the assistant grade, they must not have passed their fortieth birthday.

Junior Scientist (Nautical), \$2,000 a year, Navy Department. A 4-year course at the United States Naval or Coast Guard Academy; or a scientific course at a recognized college or university or graduation from a recognized State school ship, plus certain experience at sea, is required. Applicants must not have passed their thirty-fifth birthday.

Associate Investigator (Law), \$2,900 a year, Assistant Investigator (Law), \$2,600 a year, Associate Investigator (Accounting), \$2,900 a year, Assistant Investigator (Accounting), \$2,600 a year, Assistant Investigator (Pharmacy), \$2,600 a year, Assistant Investigator (General), \$2,600 a year, Junior Investigator (Customs Patrol Inspector), \$2,100 a year, Junior Investigator (Immigration Patrol Inspector), \$2,000 a year.

Closing dates for receipt of applications for these examinations are: September 19 for the first three examinations if applications are received from States east of Colorado, and September 22 if received from Colorado and States westward; and September 12 for the investigator examinations if applications are received from

a year, Inspector of Customs, \$2-100 a year, Treasury Department and Department of Labor. For the associate investigator positions, applicants must have reached their twenty-first but must not have passed their fifty-third birthday; for assistant investigator and inspector of customs positions, they must have reached their twenty-first but must not have passed their forty-fifth birthday; and for the junior investigator positions, they must have reached their twenty-first but must not have passed their thirty-sixth birthday.

States east of Colorado, and September 15 if received from Colorado and States westward.

Full information may be obtained from J. A. Wheelers, Secretary of the U. S. Civil Service Board of Examiners, at the post office in this city.

The Prodigal Son wasted his substance in riotous living.

NEAR BILLION American hog producers last year realized a cash income of \$902,525,600 from sales of hogs, pork, and lard. This more than doubled the amount received in 1932.

ANNOUNCEMENT I announce to the citizens of Franklin and adjoining Counties that I have become associated with M. S. Davis in the work of Civil Engineering and Land Surveying. I am a registered Engineer and Land Surveyor, and have recently held position with the U. S. National Park Service. I am prepared to do any work you have in this line and prompt attention will be given your consultation. 5-13-38. FRANK N. EGERTON
