WHO'S WHO

MR. JAMES A. MITCHINER

Mr. James A. Mitchiner, son of Mrs. Walter J. Cooke, of Franklinton, who will graduate from N. C. State College in June, is among those students who will be listed in the 1939-40 issue of Who's Who Among Students in American Universities and Colleges. The book is published through the cooperation of over 500 American universities and colleges. It is the only means of national recognition for graduates which is devoid of politics, fees, and dues. Several students from accredited colleges are selected each year, by an unprejudiced committee, for their biography to appear in Who's Who Among Students in American Universities and Colleges. These books are placed in the hands of hundreds of companies and others who annually recruit outstanding students for employment.

The purpose of Who's Who is to serve as an incentive for stu-

dents to get the most out of their college careers; as a means of compensation to students for what they have already done; and as a recommendation to the business world.

Mr. Mitchiner is a member of Blue Key, an honor fraternity at State College, was President of the Junior Class, member of the Publications Board, representative on the American Society of Agricultural Engineers inspection trip to Chicago, Chairman of the Senior Class Gift Committee, and Business Manager of the Alumni News.

Mr. Mitchiner was graduated from Franklinton High School in the class of 1936 and there was President of the Junior Class and Valedictorian of the Senior Class.
