

### To Reduce Salary

A Bill to be entitled an Act to reduce the salary of the County Attorney and to prohibit the collection of Commissions on delinquent tax sales in Franklin County.

WHEREAS, the Board of County Commissioners of Franklin County are now paying the County Attorney of Franklin County for his services on a part time basis, as County Attorney and as Solicitor of the Recorder's Court of said County, the sum of two thousand four hundred dollars (\$2,400) per year; and

WHEREAS, said two thousand four hundred dollars (\$2,400) per year so paid is out of proportion to the services rendered and to salaries paid by adjoining counties and other counties of like size in the State; and

WHEREAS, in the interest of economy and for the benefit of the taxpayers of said County it is desirable that the salary of the County Attorney be reduced in order to thus effect a savings to the taxpayers of said County; Now, therefore, The General Assembly of North Carolina do enact:

Section 1. That from and after March first, one thousand nine hundred and forty-three the Commissioners of Franklin County shall not pay a total salary for said position of County Attorney and Solicitor of the Recorder's Court of Franklin County and for other clerical services of whatever nature and kind performed by said County Attorney, in excess of the sum of one thousand five hundred dollars (\$1,500) per year for said services but said Commissioners are hereby expressly authorized to pay a less amount for said services of said County Attorney in their discretion.

Sec. 2. That it shall be unlawful for the County Attorney to charge on any delinquent taxes due to the County of Franklin or on any tax suit brought by the County of Franklin any extra fees, commissions or percentage of said taxes due said County against said taxpayers unless said extra fees, commissions or percentage is first approved by the court.

That in order to reduce the cost to the taxpayers on all tax sales brought by Franklin County the County Attorney, County Auditor or one of the Commissioners of Franklin County in the discretion of the Board of Commissioners of Franklin County, shall be appointed as Commissioner by the court to sell said land for delinquent taxes and the court shall not allow any commissions to said Commissioner so appointed for the purpose of making said tax sale.

Sec. 3. Nothing in this Act shall be construed to place any cost of said tax sale upon Franklin County and the actual court cost of said tax sale shall be paid wholly by the delinquent taxpayer.

Sec. 4. That all laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 5. That this Act shall be in full force and effect from and after its ratification.

### Red Cross War Fund Campaign

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA  
**A PROCLAMATION**

WHEREAS The American National Red Cross during the first year of our participation in the war has rendered vital humanitarian services to the members of our armed forces and to their families; and

WHEREAS the demands made upon the Red Cross are steadily increasing from day to day as it is called upon to accompany our Army and Navy into worldwide theaters of action, to provide blood plasma for our wounded, to send relief to American and United Nations prisoners of war, and to expand its preparations to meet emergencies at home; and

WHEREAS The American National Red Cross is under the necessity of raising further funds in order that these essential services may be continued and expanded;

NOW, THEREFORE, I, FRANKLIN D. ROOSEVELT, President of the United States of America, and President of The American National Red Cross, do hereby designate the month beginning March 1, 1943, as "Red Cross Month," and I request that during that month our people rededicate themselves to the splendid aims and activities of the Red Cross. I summon the men, women, and young people of our country, in every city and town and village, in every county and state throughout the land, to enlist in the army of mercy mobilized under the banner of the Red Cross and to contribute generously to the Red Cross War Fund in order that the sum of One Hundred Twenty-five Million Dollars, every cent of which is needed, may be raised promptly.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

DONE at the City of Washington this twenty-third day of February in the year of our Lord nineteen hundred and forty three, and of the Independence of the United States of America the one hundred and sixty-seventh.

FRANKLIN D. ROOSEVELT.

Just before the orders to commence firing, our radio station on Midway was blown to bits. Marine Sgt. Harold P. Hazelwood, the operator, was severely wounded by shrapnel. Despite his serious wounds, he assembled parts and sent out the firing orders that saved the day. Your money is needed to "save the day" every pay day. Insurance Agent (to farm applicant)—Did you ever meet with an accident?  
Farmer—No, only a mule kicked in two of my ribs once, and a rattlesnake bit me on the leg a couple of years ago.  
Insurance Agent—Great scott! Didn't you consider those accidents?  
Farmer—Nope, they done it for me.

During a visit to an army camp we passed by the guard house and heard a prisoner laughing:  
Prisoner (chuckling)—I go 90 days in the jug.  
We—What's so funny about that?  
Prisoner—Funny? Its the funniest thing that has happened here for a long time. You see, they sentenced the wrong guy.

Sarah—No, why?  
Father—Well, he keeps saying he's going, but he hasn't gone yet.

George—I'm a self-made man. Horace—You're lucky. I'm the revised work of a wife and three daughters.
