JAPS DOOM PLANNED

ROOSEVELT, CHURCHILL KAI-SHEK MEET

Chiang, Churchill and Roosevelt, In Historic Meeting In North Africa, Agree to Treat Japan Ruthlessly As a Criminal Nation and Quarantine Japs Within the Japanese Islands; Independent Korea Planned; Large Military Staffs In Attendance: Conference With Stalin Reported Underway

Cairo, Dec. 1.—President Roosevelt, Prime Minister Churchill and President Chiang Kai-Shek have held an historic five-day conference, have bound their nations in an agreement to beat Japan into unconditional surrender and to strip her of all her imperialtic gains of the last half century, and have left for unannounced desti-

(In Washington it was assumed that an even more important meeting, particularly on the European phases of the war, would be held with Premier Joseph Stalin of Russia. Reuters dispatches from Lisbon, Portugal, said the three had left for Teheran, capital of Iran, there to meet Stalin in the biggest United Nations conference

ALREADY UNDERWAY

(Berlin broadcasts said the conference already was underway in Teheran—on the Russian supply corridor where British-American-Russian war-time cooperation has had its most conspicuous success.)

Believed Safe

Allied Headquarters, Algiers,

Nov. 30.—Thirteen United Sta-

tes Army nurses who yesterday were reported missing since November 8, when their C-47 Army transport plane disap-peared on a flight from Algiers to Italy, now are believed to be safe in Allied territory, it was announced today.

was announced today.

Also aboard the missing plane

were 12 Army enlisted men and a crew of four officers.

The last report from the plane

was a request for the Bari air

port to turn on its beam so the transport could come in for a

landing. It never arrived.

(Advices from the United

s bureau in Algiers

that censorship was holding up

the remainder of the above dis-patch, presumably dealing with the fate of the plane and its

male passengers as well as the basis for belief that the nurses

PROGRAM AT THE

The first Sunday in December

were safe.)

In an extraordinary atmosphere of secrecy and precaution, the Britain and China, representing more than 1,000,000,000 people, counting all those of the British Empire, met for five days—from November 22 through Nov. 26-while surrounded by the highest galaxy of military, supply and political advisers, and departed at least three days before the news was given to the public.

A communique issued at the

close declared they had agreed upon a plan of military operations against Japan which would "bring unrelenting pressure against their brutal enemies by sea, land and air."

Declaring their purpose to drive Japan back into her home islands, the three powers outlined this specific four-point pro-

1. Japan must disgorge all the islands she has seized in the Pa-cific since the beginning of the First World War in 1914 (from which she gained, from Germany, the Marshall, Caroline and Mariana archipelagoes in which she planted bases for her attack on the United States).

Manchuria, Formosa,

2. Manchuria, Formosa, the Pescadores (the 21 islands lying between Formosa and the Chinese mainland) and all other territories taken from China must be res-

AND Montgomery's Men Crack Nazi Line

Allied Headquarters, Algiers, and action taken:

Nov. 30.—Troops of the British Eighth Army have captured Fostos Adriatic anchor post of was warned, for speeding.

Albert Crudup was denied all sacesia, Adriatic anchor post of the Germans' "Winter Line" in Italy, and seized all of a dominant ridge on the far side of the Sangro River, where they have linked two bridgeheads in a major breakthrough along a 14-mile front, it was announced tonight.

A special Allied communique, reporting that "our troops now have broken into the main enemy winter line," said that the villages of Santa Maria and Rogagnoni on the 1,000-foot ridge across the Sangro also had been captured. Mozagrogna, on the slope of the same states of

Mozagrogna, on the slope of the was continued to next meeting

dominates the Sangro valley now is in our hands," the special com-munique said. "Two bridgeheads on the Adriatic side now have been joined up to form one large penetration in the enemy's de fensive position."

Across Barrier penetration linked the British forces across the Sangro two weeks of December. The disextending inland from the Adriatic and carried Gen. Sir B. L. Montgomery's forces across what had been considered their chief barrier to an all-out assault on had been considered their chief barrier to an all-out assault on Rome. 1944.

and Indian troops captured Moz-zagrogna in the first hours of the offensive, now in its third day. The stronghold of Lanciano, four miles west of Fossacesia, was directly threatened.

Fed by a steady flow of reinforcements and supplies, the Eighth Army was hacking to pieces defenses that the Germans had spent months in building, and on the inland flank of the bridgehead had driven within two miles of other British forces who effected a second crossing of the Sangro northwest of Archi.
