Cpl. Dark applied for a discharge for the reason that he is leaving Franklin County to take a position for the summer with the North Carolina Department of Agriculture. Upon resuming his teaching position at Epsom he will rejoin the Company in the fall. In spite of his heavy school duties he has contributed a great deal of time to the company, attended the encampment last summer at Fort Bragg, and has proven himself one of the most popular men in and a great asset to the organization.

Pvt. Leharold Bunn is going to Sampson County to work during the summer. He will be greatly missed as his cheerfulness and willingness to perform any duty assigned to him have made him popular and well liked by the officers and the men of the company. He has promised to reenlist upon his return at the end of the summer.

The company is in need of men at the present time. The requirements are that a man shall be between the age of 18 and 50, and in good health. Most men who have been classified as 4-F are eligible for enlistment in the State Guard, and such men are urged to enlist.

WATERMELON CEILINGS SET

Raleigh, May 29.—Maximum prices for watermelons, which will mean a sharp reduction at retail from last year's inflated watermelon prices will be established shortly at country shipper and wholesale levels by the Office of Price Administration, Theodore S. Johnson, Raleigh District Director, announced.

The prices f.o.b. shipping point, for all areas, will be \$33 per ton from the effective date of the regulation to July 4, and \$26 per ton for the period from July 5 to the end of the season.

CARD OF APPRECIATION

I wish to extend my sincere thanks to the voters of Franklin County who asked me with their votes to become their next State Senator. These votes are the wishes emanating from the hearts of 1765 of the BEST FOLKS IN THE WORLD. If sixty more votes had been turned my way, I would have been nominated. The kindness and support of those voters will enter into, and become part of my very being for the remainder of my life.

I also cherish a fond friendship for my opponent and his followers. I would not be worthy of such ardent support as was given me if I could not become a GOOD LOSER. I realize that a good loser is the next thing to a winner, and often a winner in the long run.

Let us now join hands with our nominee, "forgetting those things that are behind us," and endeavor to help him in his hours of responsibilities and decisions. He will appreciate it.

With many kind wishes,
Sincerely,
JOSEPH T. INSCOE.
