

DEWEY NOMINATED

BRICKER TO BE VICE PRESIDENT

Convention Draws Rapidly To End As Delegates Quickly Approve National Ticket; Dewey Flies to Chicago to Accept Nomination

Chicago Stadium, June 28.—Thomas E. Dewey, New York's handsome 42-year-old Governor, flew to Chicago tonight to accept personally the 1944 Republican nomination, won on a first ballot at this convention which also unanimously named Ohio's Governor John W. Bricker for Vice-President, and shortly afterward the convention adjourned a day earlier than expected.

Governor Dewey, named the party's standard bearer in the first wartime Presidential election since the Civil War, left Albany at 3:29 p. m. EWT in a special 21-passenger plane which arrived at Municipal Airport exactly five hours later. He was accompanied by Mrs. Dewey, secretaries, news and radio men and photographers.

Gov. and Mrs. Dwight Green of Illinois met the Dewey party at the airport, and, behind motorcycle escort, sped with them first to convention headquarters and later to the Chicago Stadium where Dewey addressed the 1,057 delegates.

First-Ballot Nominations Thus, Dewey followed a precedent established by President Roosevelt in 1932. Mr. Roosevelt, nominated in this same stadium, flew to the convention to make his speech of acceptance and went on to win the election—the first Democratic President in 12 years.

Both Dewey and Bricker were nominated on the first ballot at a morning session today. Except for one vote from the Wisconsin delegation, Dewey's nomination would have been unanimous. That one vote was cast for Gen. Douglas MacArthur. The official final tally was Dewey 1,056, MacArthur 1.

As for Dewey, his nomination had been a foregone conclusion. What little opposition there was melted away during last night and in the stadium today as the delegates, perspiring and fretting in near 100-degree temperature, voted to get it over and wait for Dewey's personal appearance to night.

Short Session The nominating session today was one of the shortest in the history of Republican conventions. The order of business—the nominating speeches, demonstrations and roll calls—took less than three hours. Permanent Chairman Joseph W. Martin, Jr., of Massachusetts convened the session at 11:49 a. m. EWT. Dewey was officially declared nominated at 2:03 p. m. and Bricker at 2:44 p. m.

Dewey's and Bricker's names were the only ones placed in nomination. Bricker, who had been a candidate for the top place on the ticket, withdrew when Dewey said he wanted him as his running mate, and backers of Lt. Cmdr. Harold E. Stassen, for the sake of party unity, did not put his name in nomination.

The scrap over the vice presidency, which arose when Gov. Earl Warren of California refused to be a candidate, also petered out during the night. Gov. Dwight Griswold of Nebraska had been mentioned as a candidate, but he withdrew when it became known Bricker was acceptable to Dewey.

ALLIES ADVANCE AT CAEN

Nazis Thrown Into Turmoil And Confusion

Supreme Headquarters Allied Expeditionary Force, Thursday, June 29.—British tanks and infantry backed by Canadian gunners caught the prize inland port of Caen in a steel nutcracker last night, reaching to within four miles southwest of the city and throwing at least three German divisions into turmoil in probably the greatest armored battle ever fought in Western Europe.

North and northwest of Caen the British pressed down at distances of two to three miles from Caen in fierce, fluid combat between Epron and Herouville and along the Orne River canal, but it was the southwestern outflanking move that brought the greatest conflict and threw the Nazis into the deadliest peril.

Tommy Advance Roger D. Greene, Associated Press correspondent with the British forces, said in a front-line dispatch that nine separate German counter-attacks had been beaten off without any gain for the enemy, while the British tanks and Tommies pressed ahead, crossing the Odon River line at several places.

Crashing through the woods, tank confronted tank at distances as little as 30 yards, he said, and in three days of the British offensive more than 60 German tanks have been knocked out, making a total of more than 160 since the Allies invaded Normandy June 6.

British tanks overran German long-range gun positions so swiftly that the enemy could not bring his cannon to bear, and had either to surrender or be mowed down. "It is a big operation, very successful, and very difficult," said a British staff officer at field headquarters.

The American forces took over Cherbourg, one of France's largest and most accessible harbors on Sunday.

Scouts Win Prizes At Camp Crabtree

The following members of Louisburg Boy Scouts of Troop 20 have returned from one week of camping at Camp Crabtree: Larry Lewis, Nick Perry, Garland Mustain, Edgar Owens, Leslie Tharrington, Jr., Grady Harris, Jr., and Clifford Joyner. Eagle Scout John Perry is to remain at the camp as a counselor and instructor in Map Reading and Compass.

Although the boys had strict rules and regulations to live under; they thoroughly enjoyed the trip. They were a little bit disappointed in not being allowed to eat sweets of all kind or to drink Pepsi-Cola during the day. Many hours of Scout's work had to be accomplished each day, which work was supervised by Scout Officials out of the Raleigh office and the district offices. The Scouts learned a great deal in Scouting—knowledge that will be of great benefit to them in later days.

The parents of these boys will be glad to know that Louisburg Troop won both of the first prizes that were given to the Troop that made the highest score during the week. They were judged according to their manners, conduct, appearance, cleanliness and in demonstrating what they knew in Scouting. Larry Lewis, acting as co-leader of Louisburg boys, received special commendation from the camp director. Larry stated that the reason the director said something good about him was due to the fact that while serving on K. P. duty he rendered special service and favors to the official.

The boys are now looking forward to their annual camping trip at Jackson Pond where they can swim and eat for the full 24 hours each day.

TWO FIRES SUNDAY

The fire alarm Sunday afternoon was sent in from the home of Mrs. Pattie Pittman and the Fire Department was promptly on the scene. Upon investigation they found the motor to the refrigerator was burning and soon had it under proper control with slight damage except to the motor.

The first fire was in the morning when fire was discovered in Robert Harris' restaurant on Bull Run alley. In this case the firemen found the oil stove safe and soot-pat that under control with little damage save to the stove.

Provide a safe rack for such edged tools as knives, axes, and saws. Repair shaky ladders. Nail down loose boards. It pays to prevent accidents.

Dr. Yarborough

Funeral Held Friday Afternoon At St. Paul's Episcopal Church; Large Numbers Attend Services

DR. R. F. YARBOROUGH

Funeral services for Dr. Richard F. Yarborough who died at his home on Main Street Thursday afternoon of last week, were held from St. Paul's Episcopal Church Friday afternoon at 5 o'clock, conducted by Rev. Harry S. Cobby, rector, and interment was made in Oakwood Cemetery. Large numbers of relatives and friends of the family attended both services and the floral tribute was especially large and pretty, speaking a wonderful, though silent, love and admiration for one who had served his community so well.

The pall bearers were Dick Yarborough, Hill Yarborough, Will Collier, W. B. Barrow, Julius Joyner, of Franklin, W. W. Neal, J. A. Munford, G. B. Egerton.

Besides his wife, formerly Miss Mattie Ballard, of Franklin, he is survived by one son, Lt. Richard F. Yarborough, of the United States Navy, stationed in the Pacific, and one daughter, Miss Martha Yarborough.

Dr. Yarborough was 72 years of age and was one of the State's outstanding physicians, having served his home people for nearly fifty years, during which time he enjoyed a large and lucrative practice. He served his State as Physician to State College in Raleigh during the term of Governor Bickett, and later entered the service of his country in World War I.

Returning home after the war was over he again took up the practice of medicine and about the year 1927 was elected County Physician of Franklin County, and later becoming the County's first full time Health Officer under appointment of Governor Gardner, a position that had been newly established. This latter position he held until his health failed him about two years ago. Until this time he was always actively interested in all civic matters. He was very much devoted to his family and friends.

Dr. Yarborough was very much interested in the State Health Department preventive campaigns and led the fight that practically eliminated typhoid fever in Franklin.

In his going Franklin County and his home town of Louisburg have lost a most valuable citizen, his family a most devoted and faithful husband and father, and his numerous admirers a faithful friend.

Human nature is what makes us peevy when someone fails to return an umbrella we failed to return.

CALLED HOME

Washington, June 27.—The State Department announced tonight that American Ambassador Norman Armour has been recalled from Buenos Aires "for consultation," in a move hitting sharply at the military government of Argentina.

The United States and all but three other American republics have refused to recognize the regime of General Edelmiro Farrell since it established itself by revolution four months ago. However, Armour stayed on in Buenos Aires, presumably in the hope that Farrell would take moves towards bringing his country into line with the general policy of hemispheric defense.

Armour is expected to leave Buenos Aires tomorrow or the next day. His recall indicates a stiffening of the American attitude toward Farrell's government. Further emphasis is provided by the fact that Mrs. Armour will follow the ambassador home.

While Armour's departure is expected to come as a heavy blow to Argentina, there has been speculation here that still further expressions of the American republics' disapproval of Argentina's government may be imminent.

BOND SALES REACH \$130,000.00

Excluding the large purchases made by business firms, Franklin County's purchases in the Fifth War Loan Drive have reached approximately \$123,000.00. This is a little more than one-third of our \$305,000.00 quota. The over-all is going nicely, but sales of "E" Bonds continue to lag. Purchases according to townships are listed below:

Table with 3 columns: Township, Quota, Amount Sold. Lists townships like Dunn No. 1, Dunn No. 2, Harris, Youngsville, etc.

To Observe July 4 Court of Honor

The FRANKLIN TIMES has been requested to state that business in general in Louisburg will be suspended on July 4th to observe this National holiday. The banks, stores and most all places of business will close for the one day—Tuesday—only.

Officer Cut Seriously While Making Arrest

Fred Frazier, who was acting Chief of Police while Chief C. F. Cash was on leave, was injured seriously late Sunday afternoon when he was pushed through a large plate-glass window by a Negro he was attempting to arrest.

Witnesses said the Negro, Charlie Hilliard, of near Louisburg, was sitting in an automobile on Main Street with his clothes unbuttoned and indecently exposing himself with the automobile door open.

Frazier asked the Negro, who apparently had been drinking, to shut the car door and arrange his clothes properly. The Negro cursed the policeman and attacked him, witnesses said, and pushed the officer into one of the glass windows of Pender's grocery store.

Frazier, badly cut, was said to have fired a shot at the Negro, but the bullet went wild. Hilliard was subdued by J. B. Jones, local fireman, assisted by C. C. Hudson, and put in the town jail.

Hudson suffered a cut hand in the melee. Frazier was rushed to the Louisburg hospital, where Dr. Herbert G. Perry said the policeman had severe cuts on his forehead and numerous minor cuts. Frazier lost considerable blood from the cuts, which, Dr. Perry said, severed four arteries.

The plate glass window was replaced Monday. The Negro was allowed to give a \$2,000 bond, but had not given it Tuesday, and the preliminary hearing has not been had on account of the condition of Mr. Frazier.

COTTON BLOOMS

Cotton blooms have been reported by the following since our last report. From this it will be seen that the cotton crop is equal in its growth throughout the county and is generally more early than usual:

J. C. Bowden of Justice sent in a white bloom Thursday of last week. John S. Perry sent in a white bloom Friday, he lives just south of a red bloom Friday.

Clyde Hicks, tenant of A. D. Bailey, of near Laurel, sent in a red bloom Friday. Walter Tharrington of near Louisburg sent in a white bloom Friday.

H. C. Radford of near Cedar Rock, brought in a white bloom Saturday. Richard Daniel, colored, of Louisburg, Route 1, brought in a red and a white bloom Monday.

Baldy Johnson, colored, living near the home of Mr. T. K. Allen, sent in a red bloom Monday. O. H. Frazier, of near Louisburg, brought in a white bloom Tuesday.

Mr. C. N. Sherrad just west of Louisburg, brought in blooms on Tuesday. Joe Ben Alston, colored, of near Rocky Ford, brought in two red blooms Wednesday.

P. Barnes on Ro 3, Louisburg, sent in a red bloom yesterday.

CALL PHONE 283-1 FOR FIRST CLASS PRINTING

Elects S. V. Hill

To Membership On Board of Education; Also Elects Chairmen Of Township Committees

The Democratic Executive Committee of Franklin County met Wednesday morning at 11 o'clock in the Court House at the call of Chairman E. H. Malone. Those present besides the Chairman and Secretary, Mrs. H. W. Perry, were as follows:

H. T. Rogers, Harris township; J. K. Tharrington, Youngsville township; T. W. Boone, Cedar Rock township, and A. F. Johnson, Louisburg township.

Chairman Malone explained that the call was for the committee to elect a successor to the late R. F. Green, member of the County Board of Education from District No. 2, whose death occurred during the primary election held on May 27th, and to make recommendation to the Legislature for filling the term to begin on April 1st, 1945. He read a resolution from the Board of Education recommending the appointment of Mr. Sandy V. Hill, of Youngsville township.

Motions being in order J. K. Tharrington moved that S. V. Hill be elected to fill the unexpired term of the late R. F. Green, and also be recommended to the Legislature for appointment for the regular term, to begin on April 1st, 1945. The motion was seconded by T. W. Boone and carried unanimously.

The Secretary was directed to give proper notice to the proper parties of this action of the Committee.

The Chairman then suggested that the Committee elect those former chairmen of the several township committees that did not meet and elect their committees and officers to membership and as chairmen of their respective township committees for another term. This also was placed in motion by H. T. Rogers and seconded by J. K. Tharrington and was carried.

No other business of importance coming before the committee adjournment was taken.

Bonds Are Selling

Franklin County's total of bond sales has been greatly increased by addition of purchases made by several firms in this County, or which have branches here. The Burlington Mills have allocated \$50,000.00 to Franklin County and the Sterling Cotton Mills have purchased \$35,000.00 worth of bonds. Other firms which have added to our quota are Carolina Power and Light Co., \$5,000.00 and Colonial Store, Inc. \$1,000.00.

Although the addition of these purchases will add greatly to our over-all quota, we still are far behind in our quota for "E" Bonds. These must be bought by individual citizens of the County and everyone must do his part if our quota is to be reached.

AT PINEY GROVE

Revival services will be held at Piney Grove Methodist Church from July 3 through July 9. Reverend C. A. Jones will preach. Services will be at 9:00 p. m. daily except Saturday. The public is cordially invited.

WALTER G. KEARNEY

Henderson.—Walter Gray Kearney, 70, died at his home here Tuesday afternoon after a period of failing health. He was a native of Franklin County, a son of the late Mr. and Mrs. Shemuel Kearney, and was a retired farmer.

Surviving are his wife, Mrs. Grace I. Kearney; a daughter, Mrs. Charles W. Turner, of Port Republic, Md.; a grandson, and one sister, Mrs. Ida K. Burroughs, of Warren County.

Funeral services were conducted Wednesday afternoon at 5 o'clock from the home here by the Rev. E. Norfleet Gardner. Burial was in Elmwood Cemetery here.

HONORED AT DUKE NURSING SCHOOL

Durham, June 26.—Miss Eleanor Beasley of Louisburg was among the 71 young women to be honored recently by the Duke University School of Nursing in an impressive capping ceremony, denoting that she and her classmates had completed six months of pre-clinical training and study in the school.

The ceremonial address was given by Miss Gladys Benz, associate director of nursing education in the Russell Sage School of Nursing, with Miss Margaret Pinkerton, Duke's dean of nursing, presiding.

Miss Beasley is the daughter of Mr. and Mrs. William Lee Beasley, of Louisburg. She attended Louisburg College and Brevard College, where she was editor of Clarion and member of Phi Theta Kappa.

COMPROMISE RULES

FOR SALE 1944 TOBACCO CROP

USTA Sets Opening Dates Of Markets; L. L. Gravelly Elected President

Raleigh.—Opening dates for 1944 tobacco markets in Georgia, Florida, the two Carolinas, and Virginia and modifications of several marketing regulations were adopted by the Tobacco Association of the United States at its 44th annual meeting here yesterday.

The following opening dates were set by the association: Georgia-Florida Belt, Monday, July 24; Border Belt-South Carolina Belt, Tuesday, August 1; Eastern Belt, Monday, August 21; Middle Belt, Monday, September 11; Old Belt, Monday, September 18; and Dark Virginia Belt, Monday, December 11.

The opening dates were adopted as recommended by the sales committee, headed by N. M. Schaum of Wilson, and were approved without a dissenting vote from the more than 300 association members attending the session.

Selling Rules The Secretary also unanimously reported the marketing committee, which included the following provisions:

1. The speed of selling for all markets shall not be in excess of 360 piles per hour, allowing a tolerance not in excess of 15 piles at the end of each sale, providing the tolerance is necessary to complete the selling of a farmer's crop.

2. The maximum weight of a pile shall be 300 pounds.

3. The selling period of the Georgia Belt shall be four and one-half hours per day per set of buyers, applicable only to markets having less than three sets of buyers.

4. On the South Carolina-Border Belt, the Eastern Belt, the Middle Belt, and the Old Belt, the selling time shall be three and one-half hours per day per set of buyers, applicable only to markets having less than three sets of buyers.

5. All markets which in 1943 had three or more sets of buyers shall be reduced by one set of buyers on each such market, but the selling time of each set of buyers "will be so increased as to give the same number of man-power hours that they would have enjoyed before this reduction." (All buying companies have agreed to revert to their original schedule at the end of the "emergency period.")

6. That no further reduction in the maximum weight of piles, rate of speed for sales, or hours-per-day of sales will be made on any market in any flue-cured belt during the 1944 season.

Gravelly Elected President

L. L. Gravelly of Rocky Mount was elected President of the association for a two-year term, succeeding A. B. Carrington, Jr., of Danville, Va. New vice-presidents of the association are Clyde B. Austin of Greenville, John S. Meade of Danville, Va., and N. M. Schaum of Wilson. J. L. Parker of Rocky Mount is secretary-treasurer.

The following new members of the Board of Governors were elected: R. D. Thompson of Richmond, Va., N. H. Hardy of Winston-Salem, P. K. Gravelly of Rocky Mount, Greenhow Maury, Jr., of Richmond, Va., W. W. Slingetery of Lake City, S. C., Guy Smith of Greenville, R. Y. Scruggs of Hahira, Ga., Fred Royster of Henderson, E. V. Matthews of Winston-Salem, and Jesse Henderson of Wendell.

JULY ABC RULES

Chairman Carl Williamson of the State ABC Board yesterday issued this announcement of July ration rules for ABC stores:

"Coupons Nos. 29 and 30 will be valid at any time during the month of July, 1944, for one quart, or two pints, or one-fifth, or two-tenths only of domestic whiskey or Scotch.

"Coupons Nos. 31 and 32 will be valid at any time during the month of July, 1944, for one quart, or two pints, or one-fifth, or two-tenths of all domestic brandy, or domestic or imported gin. Coupons Nos. 31 and 32 will be valid for one-fifth of Rocking Chair in lieu of the above items. In other words, Coupons Nos. 29, 30, 31, and 32 will be valid at any time during the month of July for two-fifths of Rocking Chair at the option of the holder.

"Effective July 1, 1944, all imported brandy, cordials, rum, and Tequila will be ration free and may be purchased without the presentation of ration coupons." —News-Observer.
