Oriental Glamor—Plus Top Value

For the smart homemaker, with an eye to her budget, chicken is a wise buy any time of the year. Dollar for dollar, chicken is the best value of all leading meats. But as every good cook knows, thrifty foods can be exciting and chicken is always a treat. You can prove the point with Crisp Oriental Chicken. It looks like fried chicken and has the same crispness, but it is baked for convenience. The chicken pieces are dipped in evaporated milk, rolled in seasoned corn-flake crumbs, and baked in a shallow pan lined with heavy-duty aluminum foil. Cheers for Crisp Oriental Chicken!

CRISP ORIENTAL CHICKEN
1 broiler-fryer chicken
1 teaspoon salt
cut in serving pieces
1/8 teaspoon pepper
1 cup corn flake crumbs
Aluminum foil
1 teaspoon Ac'cent
1/2 cup evaporated milk
1 tablespoon soy sauce

Combine corn flake crumbs with Ac'cent, salt and pepper. Mix evaporated milk with soy sauce. Line shallow baking pan with aluminum foil. Dip chicken pieces in evaporated milk, then roll immediately in seasoned corn flake crumbs. Place chicken pieces, skin side up, in foil-lined pan; do not crowd. Bake in a moderate oven (350 degrees F.) about one hour, or until tender. No need to cover or turn chicken while cooking. Serve with a mustard sauce, if desired.
YIELD: 4 servings.

It's a good thing you don't hear most of what people say about you.

You don't need an idea to fill up a paragraph, as this clearly demonstrates.

Release Cotton Allotment

It appears that there will not be a cotton diversion program for 1964. Franklin County cotton producers are reminded that they should release their cotton allotment if it will not be planted in 1964. Releasing the allotment to the County ASC Committee will preserve the farm allotment for 1965. The regulations governing cotton allotments require that at least 75 percent of the farms allotment must be planted and/or released to prevent the loss of allotment.

Producers will have until March 16, 1964, to release cotton and for those who wish to plant more cotton can request additional allotment through March 2, 1964.

Also, now is the time for feed grain producers to decide about participating in the 1964 Feed Grain Program. It appears that many of the producers will divert at least 40 percent to get paid at the high rate. The sign-up period began February 10 and will end March 27.

Any producer desiring information about this program should visit the ASCS Office in Louisburg.

Birth

Mr. and Mrs. Donald P. Braswell of Garner announce the birth of a son on February 5, at Rex Hospital. Mrs. Braswell is the former Shelby Jean Strickland, formerly of Louisburg, Route 1.
