Word has it that Youngsville High School has some new rules that some of them don't particularly like. How about it?

It seems that a few students from Youngsville High School are having to stay after school for a few days. They are R. H., J. S., D. A., C. M., J. B., W. A., M. H., B. K., P. Y., J. H., B. E., B. H., and J. K. We hope everything will be alright for these "good-time" students.

What do you all think of the Beatles? They seem to be the subject of every conversation. Now there are even Beatle wigs which are constantly reminding one of them. Some boys are even letting their hair grow out like theirs. I guess now the girls will have to start getting their hair cut by a barber and the boys by a beauty operator. At the tournament this week there have been a couple of Beatle wigs.

There are a few conventions and rallies of clubs coming up in March which may be of interest to the members. The Franklin County Best Club will be having its convention March 13 at Edward Best High School. On March 14, there will be the Bi-County F.H.A. Rally at Nashville High School. The F.B.L.A. State Convention will be held April 3-4 in Winston-Salem.

The thought for the day is: "Always laugh when you can, it is cheap medicine."--Ellis
