Students of Louisburg High School biology classes have been taking field trips to a certain place in the woods. I'm

sure they are having a good time, especially the girls when they have to bring back a bug or an insect of some kind. How many of you have poison oak or poison ivy, or have been insect bitten? W.O., have you gotten well from the last field trip.

The Louisburg College students are finishing their exams. Graduation for them will be Sunday afternoon. We will all miss you next year.

Exams for Louisburg High School are starting next Monday and lasting through Wednesday. School gets out Thursday, June 4. The Baccalaureate Sermon for the graduates will be Sunday night, May 31, at 8 p.m. in the school auditorium. Send me all your news about graduation and your summer plans.

The thought for the day is: "Never attempt to bear more than one kind of trouble at once."--Abbott.
