ARE YOU PAYING OUT YOUR GOOD MONEY...

FOR FADING FLAVOR?

Once coffee is ground, flavor fades faster, even in a can. That's why A&P doesn't put this coffee into cans. Doesn't save time and money at your expense by factory-grinding coffee.

Sure it costs us more to custom-grind A&P whole-bean coffee in the store. And when you consider that it's always top quality fresh-coffee-roasted and blended in small batches for consistent quality—it's amazing to think that we manage to save you money, too!

And after taking all that care to be sure you get your money's worth, A&P gives you a full money-back guarantee, no questions asked.

All this... as well as COFFEE MILL FLAVOR... fresh-ground flavor you can't get in a can at any price!
