Mr. and Mrs. Boyce Ray an-
nounce the birth of a seven-
pound boy on December 20 at
the Wendell-Zebulon Hospital.

The 1964 election is over,
notes the North Carolina Heart
Association, but there are more
than two million Tar Heel can-
didates--candidates for heart
disease. See your doctor for
a heart-and-health checkup and,
says the state heart group,
don't be a heart disease can-
didate.

Health And Beauty

All of us have our own
personal beauty problems. The
best way to cope with them can
be very valuable information.
Your trouble may be cold
sores that always seem to come
at the most inconvenient time.
Blame a virus for these hot
and irritated bumps which come
on your lip at a moment's no-
tice. It is not the same type
virus which cause colds, but
it is related.

The best treatment is to
apply hot compresses to the
sores, then dab them with
spirits of camphor. Cover the
sore with one per cent yellow
oxide of mercury. If the cold
sores reoccur frequently, they
can be treated with smallpox
vaccinations.

Cracked lips cause suffering
the year around but during the
winter they are almost a com-
mon sight. This condition can
be due to dozens of things. An
allergy to certain tooth brushes
drinking cups and cosmetics to
name only a few.

A most common cause is a
deficiency of vitamin B. Eat
more whole grain cereals, liv-
er, lean meats, milk and eggs.
Try eating brewer's yeast for
a bad case.

Permanent goose pimples is
a name given a condition
doctors call follicular hyper-
keratosis. They are found on
almost any part of the body.
Particularly on the leg or the
under side of the upper arm.
It is usually a sign that you
lack enough vitamin A, the B
complex vitamins and the type
of fat found in margarine, butter
and lard. It is a blemish
usually associated with a low-
fat diet.

The condition is brought on
by months, even years of in-
correct eating. So don't ex-
pect it to clear up in a couple
of weeks.

Pearce Church Will Observe Student Night

"Student Night at Christmas"
will be observed Sunday night,
December 27, at 7:00 p.m. at
the Pearce Baptist Church.
This service is one in which
college students have an oppor-
tunity to share their spiritual
experiences of college life with
those in the home community.
The Pearce church is also
using high school seniors in
this service. The following
high school seniors will take
part in the program: Mr.
Terry Perry will preside; Mr.
Jerry Marshall will read the
scripture; Miss Jan Johnson
will lead a responsive reading;

Miss Daria Brannan will lead
in prayer.

Three of Pearce's college stu-
dents will participate: Miss
Elaine Doyle, a Junior at UNC
at Greensboro, will speak on
the subject, "Seeking God With
My Mind"; Miss Joan Baker,
a Freshman at Atlantic Christ-
ian College, will speak on "This
Is Today's Campus"; and Miss
Carol Gay, a Junior at East
Carolina College, will speak
on the subject, "The Church
Reaches the Campus." Miss
Elaine Doyle and Miss Carol
Gay will sing a duet entitled
"Spirit of B. S. U." accom-
panied by Miss Annelia Perry.

The program will conclude
with a challenge issued to both
church and students by one of
the church's deacons, Mr. Hal
Perry.
