Hurricanes Win Two From Ferrum

Louisburg College's Hurricanes took a pair of extra inning thrillers from Ferrum yesterday at the Hurricanes field. Both games were scheduled for seven innings but the first game went 9 and the se-

cond 8. Phil Winslow, who has been injured most of the year, pitched a 6 hitter in the opener, a 2-1 victory, for his first decision of the year. The big righthander gave up a home run to Ted Mise in the 3rd inning, and shut them out the rest of the way.

Louisburg's Wayne Vick doubled in a run in the 4th to tie the game, and won it in the 9th with a 350 foot homer.

Pete Eyer pitched his second 2 hitter in a row in the second game for his 4th win of the year. He helped win his own game by leading off the 8th with a single. A walk and wild pitch put men on third and second. After an intentional walk to Frank Mobley, Steve Midgette forced Eyer at the plate. Jim Lanier was picked off third for the second out. Two consecutive walks followed to force in the only run of the game. It was the third win against one defeat for the Hurricanes over Ferrum.

Ferrum ended its conference record with 5-3, Louisburg 4-4,

Local Drivers In Sunday's Franklinton Speedway Opener

At least four Franklin County drivers are expected to compete in Sunday afternoons opening program at the Franklinton Speedway. Driving in the late model Sportsman's Division will be Franklinton's Sandy Tharrington and William Perry of Pilot. Tharrington will be at the wheel of a newly built 1961 Plymouth, having demolished his Dodge in an earlier race this season on another track. Sunday will be his first appearance in the Fury. Perry will be at the wheel of his 1956 Ford.

A Franklinton man Odar Wilson will be driving his first race Sunday, in a Ford Hobby car, owned locally. It will be his first appearance for both car and driver, so anything could

happen. Also competing in the Hobby Division, but for his second season is Louisburg's Fouts Arnold. Arnold will be at the wheel of a 1953 Dodge which should rank right up front in the Hobby Division. Another Hobby driver, George McGhee is a former county man, now racing out of Raleigh.

The opening of the new track was scheduled for last week, but had to be postponed because of wet parking areas. Track owners state that this weeks rains have come as a blessing to them, being greatly needed to properly condition the new, four tenths of a mile, high banked, clay oval, for high speed driving.

Thirty five to forty cars are expected to be on hand for Sunday's six event program. Some of the top Chevrolet drivers who have entered are Henderson's Eddie Royster; Buck Thomas and Mack Mangum from Roxboro and Benny Davis from Burlington. Ford pilots will include such chargers as Bill Hall and Hal Buckner of Burlington and Roy Murphy from Durham. Murphy was one of

the state's top Hobby stock car drivers last season, but recently purchased Bill Hall's No. 33 Ford and is continuing his charging style of racing in the Sportsman's division. Hall has built a new mount for himself. None of the above mentioned drivers are strangers to the winners circle and Sunday's thirty lap feature could be won by any of them or by one of the other top drivers expected to be present.

Most of the states top ranking late model Sportsman drivers will be on hand attracted both by the top prize money being offered and by the chance to be the first winner on a new track, a happening that is supposed to bring a driver good luck. Another factor attracting drivers to the new plant is the fact that it is the only one operating that offers bonus money to the first three drivers finishing the Sportsman's feature in makes of cars other than the winner.

Two p.m. is starting time for what promises to be one of the most exciting programs yet seen on any track anywhere.

Carolina's Gary Hill To Face Hurricanes Here Saturday

Carolina's sensational Gary Hill will toe the rubber for the Tar Heels Saturday when they meet Louisburg's Hurricanes in a doubleheader beginning at 1:30.

The games will be part of the May Day festivities at the college. The two teams split two games at Carolina earlier in the season.

Hill, a fireballing righthander,

has pitched 5 shutouts this season including a no hitter against State and a 5-0 win over Carolina's varsity. He pitched Charlotte's American Legion team to the national championship last year. He was drafted by the Washington Senators, but turned down a five figure bonus to enroll at Carolina.

"He is one of the best I have seen in a long time," says coach Russ Frazier. "He throws the ball real hard, has a fine curve and change up, and is as smart as you will see on the mound. We are certainly going to try to end his string of shutouts and pin his first loss on him."
