

a lot of your neighbors have stopped baking pies!

Maybe it's because they discovered Jane Parker Pies... thousands have.

But... you say, "No thanks, there is nothing like a good home-baked pie." We agree... they're great."

But would you believe it if we told you our Jane Parker Pies taste home-baked? Probably not... until you've tried one.

Then you'd discover the crust is short and flaky like your own.

You'd discover the fruit is the kind you'd use... the best... juicy, not stiff with starch.

And if you popped a Jane Parker Pie into the oven and warmed it before serving, you'd discover a pie you'd be proud to call your own.

Are Jane Parker Pies a good reason for shopping A&P? They're one of many.
