THE FRANKLIN COUNTY BOARD OF EDUCATION

INTERIM ORDER

ENTERED BY HONORABLE ALGERNON L. BUTLER, CHIEF JUDGE OF THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF NORTH CAROLINA

It is ORDERED as follows:

(1) That the defendants, their employees, agents, successors, and all persons in active concert or participation with them shall not engage in any act, practice, or policy of racial discrimination in the operation of the public school system of Franklin County.

(2) A new freedom of choice period beginning August 1, 1966 and ending August 16, 1966 shall be afforded all Negro children attending, or eligible to attend, the public schools operated by the defendants for the 1966 - 67 school year. Except as herein expressly provided, the choice period shall be conducted in accordance with the Revised Guidelines promulgated by the Department of Health, Education and Welfare in March 1966.

(3) The defendants shall, no later than July 30, 1966, mail to the parent, or person acting as a parent, of each Negro child attending or eligible to attend any school in the Franklin County public school system, a freedom of choice application and associated papers in the form attached hereto, together with a copy of the portion of this document entitled "Interim Order". The defendants shall further cause to be published in each edition of the Franklin Times during the choice period the terms of the new choice period and the text of the portion of this order entitled "Interim Order".

(4) Freedom of choice applications made pursuant to this order shall be treated as if they had been made during the spring 1966 choice period.

(5) All persons eligible for free choice shall be notified by the defendants that any interference with the exercise of free choice shall be reported to Robert H. Cowen, United States Attorney for the Eastern District of North Carolina, Post Office Building, Raleigh, North Carolina, telephone 828-9031, for prompt submission to the Court. Provision shall be made for reasonable notice to all parties in the case of any application by any party for modification in this order.

(6) The freedom of choice provided for herein is being conducted under order of this Court. Any person or persons who interfere with any person exercising or seeking to exercise rights hereunder will be dealt with pursuant to federal law. The Court retains full jurisdiction over this action for purposes of modifying this decree in the interest of justice. In the event of interference by any person or persons with the implementation of this order, or with the exercise or enjoyment of rights thereunder, the Court shall take such action as it deems appropriate under the circumstances to achieve the orderly and effective elimination of segregation in the Franklin County school system.

(7) It is further ORDERED: that the defendants, their employees, agents, successors, and all persons in active concert or participation with them are hereby restrained and enjoined as follows:

That race, color or national origin shall not be a factor in the hiring or assignment to schools or within schools of teachers and other professional staff. Vacant teacher positions in the future shall be open to all applicants, and each filled by the best qualified applicant regardless of race. The Franklin County School Board shall encourage transfers by present members of the faculty to schools within the system in which pupils are wholly or predominantly of a race other than such teacher's. The Franklin County School Board shall set up and file with the Court on or before August 10, 1966, definite objective standards for the employment, assignment and retention of teachers and professional staff in a matter not inconsistent with this order and compatible with the requirements of the Due Process and Equal Protection Clauses of the Constitution.

(8) This order shall not be construed to limit in any manner the obligations of the defendants under the provisions of the HEW Form 441B and the HEW Guidelines of March 1966, except to the extent, if any, that they may be modified by this order.

(9) The defendants shall file a report with the Court on or before September 12, 1966, with copies of said report being served upon counsel for all parties, advising the number of Negro students requesting re-assignment to predominantly white schools and the schools to which such students have been assigned. Said report shall also advise of the number of Negro and white teachers and school personnel assigned for the 1966 - 67 school year to schools in which the majority of the students are of another race and of the schools to which such teachers and personnel have been assigned.
