

KNOW WHEN OUR SHIP CAME IN?

In 1859.

That was the year an imaginative 26-year old, named George H. Hartford, had a brilliant idea.

The idea? Buy tea direct from the Orient by the clipper shipload.

Eliminate expensive in-between costs. Sell directly to the public, at great savings... a small profit.

1859...that's when our ship came in. That was the beginning.

That's when our founder showed he cared about people.

Today, in keeping with that proud heritage, A&P is still dedicated to bringing the most good food, to the most people for the least amount of money.

Today, more than a century later, we can honestly say, "WE CARE...about you."

Is this a good reason for shopping A&P? It's one of many.
